

Evidence Act 101(a)(2) (5 U.S.C. 315 (a)), establishes the Committee and its charge. It specifies that the Chief Statistician of the United States shall serve as the Chair and other members shall be appointed by the Director of the Office of Management and Budget (OMB). The Act prescribes a membership balance plan that includes: One agency Chief Information Officer; one agency Chief Privacy Officer; one agency Chief Performance Officer; three members who are agency Chief Data Officers; three members who are agency Evaluation Officers; and three members who are agency Statistical Officials who are members of the Interagency Council for Statistical Policy established under section 3504(e)(8) of title 44.

Additionally, at least 10 members are to be representative of state and local governments and nongovernmental stakeholders with expertise in government data policy, privacy, technology, transparency policy, evaluation and research methodologies, and other relevant subjects. Committee members serve for a term of two years. Any member appointed to fill a vacancy occurring before the expiration of the term for which the member's predecessor was appointed shall be appointed only for the remainder of that term.

The ACDEB is interested in the public's input on the issues it will consider, and requests that interested parties submit statements to the ACDEB via email to Evidence@bea.gov. Please use the subject line "ACDEB Meeting Public Comment." All statements will be provided to the members for their consideration and will become part of the Committee's records. Additional opportunities for public input will be forthcoming as the Committee's work progresses.

ACDEB Committee meetings are open, and the public is invited to attend and observe. Those planning to attend are asked to RSVP to Evidence@bea.gov. The call-in number, access code, and meeting link will be posted 24 hours prior to each meeting on www.bea.gov/evidence. The meetings are accessible to people with disabilities. Amendment 10 to the Coral, Coral Reef and Live Hard Bottom Habitat FMP

The draft amendment currently addresses a request from the rock shrimp industry to create a Shrimp Fishery Access Area (SFAA) along the eastern boundary of the northern extension of the Oculina Bank Coral HAPC to allow rock shrimp trawling and access to historic rock shrimp fishing grounds. Vessels fishing for rock shrimp in the South Atlantic region are required to carry approved Vessel Monitoring Systems (VMS) to harvest or possess rock shrimp. Establishing a SFAA would allow access to the area at times where the species is found slightly west of the existing boundary while retaining the integrity of the eastern boundary of the Oculina Bank Coral HAPC, maintaining the prohibition on all other bottom tending gear.

During the scoping meetings, Council staff will present an overview of the amendment and will be available for informal discussions and to answer questions via webinar. Members of the public will have an opportunity to go on record to record their comments for consideration by the Council.

These hearings are physically accessible to people with disabilities. Requests for auxiliary aids should be directed to the Council office (see **ADDRESSES**) 5 days prior to the meeting.
