Any person desiring to intervene or to protest in any of the above proceedings must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214) on or before 5 p.m. Eastern time on the specified comment date. It is not necessary to separately intervene again in a subdocket related to a compliance filing if you have previously intervened in the same docket. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant. In reference to filings initiating a new proceeding, interventions or protests submitted on or before the comment deadline need not be served on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with Internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protests.

Persons unable to file electronically should submit an original and 14 copies of the intervention or protest to the Federal Energy Regulatory Commission, 888 First St., NE., Washington, DC 20426.

The filings in the above proceedings are accessible in the Commission's eLibrary system by clicking on the appropriate link in the above list. They are also available for review in the

Commission's Public Reference Room in Washington, DC. There is an eSubscription link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please e-mail FERCOnlineSupport@ferc.gov or call (866) 208–3676 (toll free). For TTY, call (202) 502–8659.

U.S. EPA's National Clean Water Act Recognition Awards Presentation During the Water Environment Federation's Technical Exposition and Conference (WEFTEC), and Announcement of 2007 National Awards Winners

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Environmental Protection Agency recognized municipalities and industries for outstanding and innovative technological achievements in wastewater treatment and pollution abatement programs. An inscribed plaque was presented to first and second place national winners at the annual Clean Water Act Recognition Awards presentation during the Water Environment Federation's Technical Exposition and Conference (WEFTEC). Recognition is made every year for outstanding programs and projects in operations and maintenance at wastewater treatment facilities, biosolids management and public acceptance, municipal implementation and enforcement of local pretreatment programs, cost-effective storm water controls, and combined sewer overflow controls. This action also announces the 2007 national awards winners.

DATES: Monday, October 15, 2007, 11:30 a.m. to 1 p.m.

ADDRESSES: The national awards presentation ceremony was held at the San Diego Convention Center, San Diego, California.

FOR FURTHER INFORMATION CONTACT:

William Hasselkus, Telephone: (202) 564–0664. Facsimile Number: (202) 501–2396. E-Mail: hasselkus.william@epa.gov. Also visit

the Office of Wastewater Management's Web page at <http://www.epa.gov/owm>.

SUPPLEMENTARY INFORMATION: The Clean Water Act Recognition Awards are authorized by section 501(a) and (e) of the Clean Water Act, and 33 U.S.C. 1361(a) and (e). Applications and nominations for the national awards are recommended by EPA regions. A regulation establishes a framework for the annual recognition awards program at 40 CFR part 105. EPA announced the availability of application and nomination information for this year's awards (72 FR 26632, May 10, 2007). The awards program enhances national awareness of municipal wastewater

treatment and encourages public support of programs targeted to protecting the public's health and safety and the nation's water quality. State water pollution control agencies and EPA regional offices make recommendations to headquarters for the national awards. Programs and projects being recognized are in compliance with applicable water quality requirements and have a satisfactory record with respect to environmental quality. Municipalities and industries are recognized for their demonstrated creativity and technological achievements in five awards categories as follows:

(1) Outstanding Operations and Maintenance practices at wastewater treatment facilities;

(2) Exemplary Biosolids Management projects, technology/innovation or development activities, research and public acceptance efforts;

(3) Pretreatment Program Excellence;

(4) Storm Water Management Excellence; and,

(5) Outstanding Combined Sewer Overflow Control programs.
