Privacy Act of 1974; Matching Program

AGENCY: Federal Communications Commission.

ACTION: Notice of a new matching program.

SUMMARY: In accordance with the Privacy Act of 1974, as amended ("Privacy Act"), this document announces a new computer matching program the Federal Communications Commission ("FCC" or "Commission" or "Agency") and the Universal Service Administrative Company (USAC) will conduct with the Pennsylvania Department of Human Services. The purpose of this matching program is to verify the eligibility of applicants to and subscribers of Lifeline, and the Affordable Connectivity Program (ACP), both of which are administered by USAC under the direction of the FCC. More information about these programs is provided in the **SUPPLEMENTARY INFORMATION** section below.

DATES: Written comments are due on or before September 13, 2023. This computer matching program will commence on September 13, 2023, and will conclude 18 months after the effective date.

ADDRESSES: Send comments to Elliot S. Tarloff, FCC, 45 L Street NE, Washington, DC 20554, or to Privacy@fcc.gov.

FOR FURTHER INFORMATION CONTACT: Elliot S. Tarloff at 202-418-0886 or Privacy@fcc.gov.

SUPPLEMENTARY INFORMATION: The Lifeline program provides support for discounted broadband and voice services to low-income consumers. Lifeline is administered by the Universal Service Administrative Company (USAC) under FCC direction. Consumers qualify for Lifeline through proof of income or participation in a qualifying program, such as Medicaid, the Supplemental Nutritional Assistance Program (SNAP), Federal Public Housing Assistance, Supplemental Security Income (SSI), Veterans and Survivors Pension Benefit, or various Tribal-specific federal assistance programs.

In the Consolidated Appropriations Act, 2021, Public Law 116-260, 134 stat. 1182, 2129-36 (2020), Congress created the Emergency Broadband Benefit Program, and directed use of the National Verifier to determine eligibility based on various criteria, including the qualifications for Lifeline (Medicaid, SNAP, etc.). EBBP provided \$3.2 billion in monthly consumer discounts for broadband service and one-time provider reimbursement for a connected device (laptop, desktop computer or tablet). In the Infrastructure Investment and Jobs Act, Public Law 117-58, 135 stat. 429, 1238-44 (2021) (codified at 47 U.S.C. 1751-52), Congress modified and extended EBBP, provided an additional \$14.2 billion, and renamed it the Affordable Connectivity Program (ACP). A household may qualify for the ACP benefit under various criteria, including an individual qualifying for the FCC's Lifeline program.

In a Report and Order adopted on March 31, 2016, (81 FR 33026, May 24, 2016) (*2016 Lifeline Modernization Order*), the Commission ordered USAC to create a National Lifeline Eligibility Verifier ("National Verifier"), including the National Lifeline Eligibility Database (LED), that would match data about Lifeline applicants and subscribers with other data sources to verify the eligibility of an applicant or subscriber. The Commission found that the National Verifier would reduce compliance costs for Lifeline service providers, improve service for Lifeline subscribers, and reduce waste, fraud, and abuse in the program.

The Consolidated Appropriations Act of 2021 directs the FCC to leverage the National Verifier to verify applicants' eligibility for ACP. The purpose of this matching program is to verify the eligibility of Lifeline and ACP applicants and subscribers by determining whether they receive SNAP and Medicaid benefits administered by the Pennsylvania Department of Human Services.

Participating Agencies

Pennsylvania Department of Human Services.

Authority for Conducting the Matching Program

The authority for the FCC's ACP is Infrastructure Investment and Jobs Act, Public Law 117-58, 135 Stat. 429, 1238-44 (2021) (codified at 47 U.S.C. 1751-52); 47 CFR part 54. The authority for the FCC's Lifeline program is 47 U.S.C. 254; 47 CFR 54.400 through 54.423; Lifeline and Link Up Reform and Modernization, *et al.*, Third Report and Order, Further Report and Order, and Order on Reconsideration, 31 FCC Rcd 3962, 4006-21, paras. 126-66 (2016) (2016 Lifeline Modernization Order).

Purpose(s)

The purpose of this modified matching agreement is to verify the eligibility of applicants and subscribers to Lifeline, as well as to ACP and other Federal programs that use qualification for Lifeline as an eligibility criterion. This new agreement will permit eligibility verification for the Lifeline program and ACP by checking an applicant's/subscriber's participation in SNAP and Medicaid in Pennsylvania. Under FCC rules, consumers receiving these benefits qualify for Lifeline discounts and also for ACP benefits.

Categories of Individuals

The categories of individuals whose information is involved in the matching program include, but are not limited to, those individuals who have applied for Lifeline and/or ACP benefits; are currently receiving Lifeline and/or ACP benefits; are individuals who enable another individual in their household to qualify for Lifeline and/or ACP benefits; are minors whose status qualifies a parent or guardian for Lifeline and/or ACP benefits; or are individuals who have received Lifeline and/or ACP benefits.

Categories of Records

The categories of records involved in the matching program include, but are not limited to, the last four digits of the applicant's Social Security Number, date of birth, and first and last name. The National Verifier will transfer these data elements to the Pennsylvania Department of Human Services, which will respond either "yes" or "no" that the individual is enrolled in a qualifying assistance program: SNAP and Medicaid administered by the Pennsylvania Department of Human Services.

System(s) of Records

The records shared as part of this matching program reside in the Lifeline system of records, FCC/WCB-1, Lifeline, which was published in the **Federal Register** at 86 FR 11526 (Feb. 25, 2021).

The records shared as part of this matching program reside in the ACP system of records, FCC/WCB-3, Affordable Connectivity Program, which was published in the **Federal Register** at 86 FR 71494 (Dec. 16, 2021).

[Docket No. 23-07]

TIR Auto Transport LLC, Complainant, v. V&S Brothers Inc and V&S Cargo Inc, Respondents; Notice of Filing of Complaint and Assignment; Served: August 8, 2023.

Notice is given that a complaint has been filed with the Federal Maritime Commission ("Commission") by TIR AUTO TRANSPORT LLC (the "Complainant") against V&S BROTHERS INC and V&S CARGO INC (collectively, the "Respondents"). Complainant states that the Commission has jurisdiction over matters involving contracts for carriage of goods by sea under 46 U.S.C. 30701 and allegations asserted under the Shipping Act of 1984, as amended, 46 U.S.C. 40101 *et seq.* (the "Shipping Act"), and that this complaint is being filed seeking damages resulting from a violation of 46 U.S.C. 41102(c).

Complainant states that it is in the business of buying and shipping vehicles all over the world and has a principal place of business in Tiraspol, Moldova.

Complainant identifies Respondent V&S BROTHERS INC as a used-car dealer and freight forwarding non-vessel-operating common carrier with a principal place of business in Matawan, New Jersey. Complainant identifies Respondent V&S CARGO INC as a non-vessel-operating common carrier and a corporation registered in the State of New Jersey with a principal place of business in Matawan, New Jersey.

Complainant alleges that Respondents violated 46 U.S.C. 41102(c) regarding a failure to establish, observe, and enforce just and reasonable regulations and practices relating to or connected with

receiving, handling, storing, or delivering property. Complainant alleges this violation arose from the shipment of containers to a different location than instructed, the inflation of invoices and conditioning the release of cargo on the payment of such invoice, generally conditioning the release of cargo on the payment of unrelated debt, the failure to release cargo that was fully paid for resulting in an increase in demurrage charges, and the failure to provide a timely, accurate, and compete accounting.

An answer to the complaint must be filed with the Commission within twenty-five (25) days after the date of service.

The full text of the complaint can be found in the Commission's electronic Reading Room at <https://www2.fmc.gov/readingroom/proceeding/23-07/>. This proceeding has been assigned to the Office of Administrative Law Judges. The initial decision of the presiding judge shall be issued by August 8, 2024, and the final decision of the Commission shall be issued by February 20, 2025.
