

investors and listed companies.”²⁶ The fact that this market is competitive has also long been recognized by the courts. In *NetCoalition v. Securities and Exchange Commission*, the D.C. Circuit stated as follows: “[n]o one disputes that competition for order flow is ‘fierce.’ . . . As the SEC explained, ‘[i]n the U.S. national market system, buyers and sellers of securities, and the broker-dealers that act as their order-routing agents, have a wide range of choices of where to route orders for execution’; [and] ‘no exchange can afford to take its market share percentages for granted’ because ‘no exchange possesses a monopoly, regulatory or otherwise, in the execution of order flow from broker dealers’ . . .”²⁷ Accordingly, the Exchange does not believe its proposed fee changes impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

rule change, as modified by Amendment No. 1.⁷ On February 19, 2020, the Exchange filed Amendment No. 2 to the proposed rule change, which replaced and superseded the proposed rule change as originally filed.⁸ The Commission published the proposed rule change, as modified by Amendment No. 2, for comment in the **Federal Register** on March 6, 2020.⁹

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,¹² designates June 14, 2020 as the date by which the Commission shall either approve or disapprove the proposed rule change (File No. SR-BOX-2019-19).

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-88628; File No. SR-ICC-2020-007]

Self-Regulatory Organizations; ICE Clear Credit LLC; Notice of Proposed Rule Change Relating to the ICC Clearing Rules

April 14, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934¹ and Rule 19b-4,² notice is hereby given that on April 10, 2020, ICE Clear Credit LLC ("ICC") filed with the Securities and Exchange Commission the proposed rule change as described in Items I, II, and III below, which Items have been prepared primarily by ICC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Clearing Agency's Statement of the Terms of Substance of the Proposed Rule Change

The principal purpose of the proposed rule change is to revise the ICC Clearing Rules (the "Rules") related to ICC membership requirements.

II. Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, ICC included statements concerning the purpose of and basis for the proposed rule change, security-based swap submission, or advance notice and discussed any comments it received on the proposed rule change, security-based swap submission, or advance notice. The text of these statements may be examined at the places specified in Item IV below. ICC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.

(A) Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

ICC proposes amendments to Chapter 2 of the ICC Rules relating to

membership requirements. ICC believes that such revisions will facilitate the prompt and accurate clearance and settlement of securities transactions and derivative agreements, contracts, and transactions for which it is responsible. ICC proposes to make such changes effective following Commission approval of the proposed rule change. The proposed revisions are described in detail as follows.

ICC proposes to amend ICC Rule 201(b), which contains membership requirements of ICC and includes fitness criteria, financial standards, operational standards, and registration qualifications with applicable regulatory authorities. ICC proposes to add new subsection (xiv) to ICC Rule 201(b) to require Clearing Participants ("CPs") to participate in default management simulations, new technology testing and other exercises, as notified by ICC from time to time.

ICC proposes further updates to ICC Rule 206, which contains certain notice requirements for CPs. Currently, under ICC Rule 206(a), a CP must immediately notify ICC, orally and in writing, if it is subject to an event described in ICC Rule 206(a). Such events include material adverse changes in financial condition, restrictions or limitations on certain business conducted by the CP, and becoming insolvent, among others. Amended ICC Rule 206(a) removes the oral notification requirement and only requires written notification to ICC. ICC proposes to amend ICC Rule 206(c) which requires CPs that are broker-dealers to notify ICC of any matter required to be notified to FINRA under FINRA Rule 3070, as well as any matter required to be notified to the Commission if a broker-dealer and to the Commodity Futures Trading Commission ("CFTC") if a futures commission merchant under applicable Commission and CFTC regulations. ICC proposes replacing "FINRA Rule 3070" with "FINRA Rule 4530(a)(1)(A),(C),(E) and 4530(b) (or any similar rules)," as FINRA Rule 3070 is no longer applicable and has been superseded by FINRA Rule 4530.

(b) Statutory Basis

Section 17A(b)(3)(F) of the Act³ requires, among other things, that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions, and to the extent applicable, derivative agreements, contracts and transactions, to assure the safeguarding of securities and funds which are in the custody or control of
