SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-49124; File No. SR-OCC-2003-06]

Self-Regulatory Organizations; The Options Clearing Corporation; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Relating to a Clearing Agreement

January 26, 2004.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on July 22, 2003, The Options Clearing Corporation ("OCC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which items have been prepared primarily by OCC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change consists of the Agreement for Clearing and Settling Security Futures and Futures and Futures Options on Broad-Based Indexes between OCC and the Chicago Board Options Exchange ("CBOE").

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, OCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. OCC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.²

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The CBOE intends to open a futures exchange, to be known as CBOE Futures Exchange, LLC ("CFE"). CFE has applied to the Commodity Futures Trading Commission ("CFTC") for designation as a contract market and intends to notice register to be a limited purpose national securities exchange for the trading of futures before such trading commences. CFE and OCC have entered into a clearing agreement ("CFE Agreement") pursuant to which OCC will provide clearing and settlement services with respect to the security futures and futures and options on futures on broad-based security indexes that may be traded on CFE.³ The CFE Agreement is substantially similar to OCC's amended and restated clearing agreement with Nasdaq Liffe Markets, LLC ("NQLX") but includes some terms taken from OCC's security futures clearing agreements with the Island Futures Exchange, LLC ("IFX") and OneChicago, LLC ("ONE"), which were previously filed with the Commission.⁴ To the extent that terms of the CFE Agreement are not traceable to one of these sources, those terms are immaterial.

OCC believes that the proposed rule change is consistent with the purposes and requirements of section 17A of the Act because it will foster cooperation and coordination with persons engaged in the clearance and settlement of securities transactions and remove impediments to and perfect the mechanism of a national system for the prompt and accurate clearance and settlement of securities transactions.

(B) Self-Regulatory Organization's Statement on Burden on Competition

OCC does not believe that the proposed rule change will impose any burden on competition.

³ OCC is registered as a "derivatives clearing organization" under the Commodity Exchange Act by order of the Commodity Futures Trading Commission (December 10, 2001). The Commission previously approved OCC's rule filing to clear futures and futures options on broad-based stock indexes. Securities Exchange Act Release No. 45946 (May 16, 2002), 67 FR 36056 (May 22, 2002), File No. [SR-OCC-2001-16].

⁴ Securities Exchange Act Release Nos. 46722 (October 25, 2002), 67 FR 67230 (November 4, 2002) File No. [SR-OCC-2002-13] (amended and restated clearing agreement with NQLX), 46058 (June 10, 2002), 67 FR 41287 (June 17, 2002) File No. [SR-OCC-2002-08] (security futures clearing agreement with IFX), and 46653 (October 11, 2002), 67 FR 64689 (October 21, 2002) File No. [SR-OCC-2002-07] (security futures clearing agreement with ONE).

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were not and are not intended to be solicited with respect to the proposed rule change, and none have been received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to section 19(b)(3)(A)(iii) of the Act⁵ and Rule 19b-4(f)(4)⁶ thereunder because it effects a change in an existing service of OCC that (i) does not adversely affect the safeguarding of securities or funds in the custody or control of OCC or for which it is responsible and (ii) does not significantly affect the respective rights or obligations of OCC or persons using the service. At any time within sixty days of the filing of the proposed rule change, the Commission could have summarily abrogated such rule change if it appeared to the Commission that such action was necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Comments may also be submitted electronically at the following e-mail address: rule-comments@sec.gov. All comment letters should refer to File No. SR-OCC-2003-06. This file number should be included on the subject line if e-mail is used. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be
