

SUPPLEMENTARY INFORMATION: On November 26, 2007, FMCSA published in the **Federal Register** (72 FR 66021) a notice of application for exemption and request for comments regarding Dart Transit Company (DART). That notice announced a closing date of December 26, 2007, for public comments to the docket. The Advocates for Highway and Auto Safety (Advocates) has requested an extension of time for the public comment period because the issues involved require additional time to evaluate. The FMCSA agrees that the complexity of the issues involved warrant further opportunity for public comment, and is extending the close of the comment period. All comments received before the close of business on January 25, 2008, will be considered and will be available for examination in the docket listed under the **ADDRESSES** section of this notice. Comments received after the comment closing date will be filed in the public docket and will be considered to the extent practicable. In addition to late comments, the FMCSA will also continue to file, in the public docket, relevant information that becomes available after the comment closing date. Interested persons should continue to examine the public docket for new material.

Issued on: December 26, 2007.

Larry W. Minor,

Associate Administrator for Policy and Program Development.

BILLING CODE 4910-EX-P

DEPARTMENT OF TRANSPORTATION

Federal Motor Carrier Safety Administration

[Docket Nos. FMCSA-01-9561, FMCSA-05-22194]

Qualification of Drivers; Exemption Renewals; Vision

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of final disposition.

SUMMARY: FMCSA previously announced its decision to renew the exemptions from the vision requirement in the Federal Motor Carrier Safety Regulations for 25 individuals. FMCSA has statutory authority to exempt individuals from the vision requirement if the exemptions granted will not compromise safety. The Agency has reviewed the comments submitted in response to the previous announcement and concluded that granting these exemptions will provide a level of safety

that will be equivalent to, or greater than, the level of safety maintained without the exemptions for these commercial motor vehicle (CMV) drivers.

FOR FURTHER INFORMATION CONTACT: Dr. Mary D. Gunnels, Director Medical Programs Division, (202) 366-4001, fmcamedical@dot.gov, FMCSA, Department of Transportation, 1200 New Jersey Avenue, SE., Room W64-224, Washington, DC 20590-0001. Office hours are from 8:30 a.m. to 5 p.m., Monday through Friday, except Federal holidays.

You may see all the comments online through the Federal Document Management System (FDMS) at <http://www.regulations.gov>.

Background

Under 49 U.S.C. 31136(e) and 31315, FMCSA may grant an exemption for a 2-year period if it finds "such exemption would likely achieve a level of safety that is equivalent to, or greater than, the level that would be achieved absent such exemption." The statutes also allow the Agency to renew exemptions at the end of the 2-year period. The Notice was published on November 7, 2007. The comment period ended on December 7, 2007.

Discussion of Comments

FMCSA received no comments in this proceeding.

Conclusion

The Agency has not received any adverse evidence on any of these drivers that indicates that safety is being compromised. Based upon its evaluation of the 25 renewal applications, FMCSA renews the Federal vision exemptions for, Norman E. Braden, Levi A. Brown, Henry L. Chastain, Thomas R. Crocker, Clinton D. Edwards, Gerald W. Fox, Ronald K. Fultz, Richard L. Gandee, John C. Holmes, John L. Hynes, John G. Kaye, Richard H. Kind, Bobby G. LaFleur, Robert S. Larrance, John D. McCormick, Thomas C. Meadows, Timothy S. Miller, David A. Morris, Leigh E. Moseman, Gary T. Murray, Richard P. Stanley, Paul D. Stoddard, Robert L. Tankersley, Jr., Scott A. Tetter, and Benny R. Toothman.

In accordance with 49 U.S.C. 31136(e) and 31315, each renewal exemption will be valid for 2 years unless revoked earlier by FMCSA. The exemption will be revoked if: (1) The person fails to comply with the terms and conditions

of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained before it was granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136 and 31315.

Issued on: December 27, 2007.
