**AGENCY:** Department of Veterans Affairs.

**ACTION:** Advance notice of proposed rulemaking.

**SUMMARY:** The Department of Veterans Affairs (VA) is requesting public comment on the minimum property requirements (MPRs) for VA-guaranteed and direct loans. VA will consider information received in response to this advance notice of proposed rulemaking (ANPRM) in implementing the

Improving Access to the VA Home Loan Benefit Act of 2022 (the Act). The Act requires VA to consider making changes to MPRs in prescribing updated regulatory requirements regarding appraisals. This ANPRM seeks public input to better understand areas for improvement in MPRs, including whether VA should consider adopting an approach that aligns with other industry-wide property standards already in existence.

**DATES:** Comments must be received on or before February 9, 2024.

**ADDRESSES:** Comments must be submitted through [www.regulations.gov](http://www.regulations.gov). Except as provided below, comments received before the close of the comment period will be available at [www.regulations.gov](http://www.regulations.gov) for public viewing, inspection, or copying, including any personally identifiable or confidential business information that is included in a comment. We post the comments received before the close of the comment period on the following website as soon as possible after they have been received: <https://www.regulations.gov>. VA will not post on [www.regulations.gov](http://www.regulations.gov) public comments that make threats to individuals or institutions or suggest that the commenter will take actions to harm an individual. VA encourages individuals not to submit duplicative comments. We will post acceptable comments from multiple unique commenters even if the content is identical or nearly identical to other

comments. Any public comment received after the comment period's closing date is considered late and will not be considered in the final rulemaking.
