Bureau of Educational and Cultural Affairs; Request for Grant Proposals: NIS Community College Partnerships Program (NISCCPP)

SUMMARY: The Office of Global Educational Programs of the Bureau of Educational and Cultural Affairs in the Department of State announces an open competition for the NIS Community College Partnerships Program. Accredited educational institutions offering the two-year Associate's degree and meeting the provisions described in IRS regulation 26 CFR 1.501(c) may apply to pursue institutional or departmental objectives in partnership with foreign counterpart institutions with support from the NIS Community College Partnerships Program. These objectives should support the overall goals of the Program: to support the transition of the New Independent States to democratic systems based on market economies, and to strengthen mutual understanding and cooperation between the United States and the New Independent States on subjects of enduring common interest to the participating countries and institutions. The means for achieving these objectives may include teaching, scholarship, and outreach to professionals and other members of the communities served by the participating institutions.

Program Overview

The NIS Community College Partnerships Program supports institutional linkages in higher education with partners from the New Independent States of the former Soviet Union with funding available through the FREEDOM Support Act. The Bureau also anticipates issuing a separate and additional Request for Grant Proposals for the NIS College and University Partnerships Program which may include eligible fields and partner countries in addition to those listed in this RFGP. Eligible community colleges may apply for grants under either or both of these two competitions.

The Bureau also supports institutional linkages in higher education with partners worldwide through the Educational Partnerships Program (formerly College and University Affiliations Program); the Educational Partnerships Program Request for Grant Proposals was announced separately and has a deadline of January 11, 2002. Applicants interested in the Bureau's Educational Partnerships Program should contact the Bureau's Humphrey
