Stainless Steel Sheet and Strip in Coils From Mexico; Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests from respondent, ThyssenKrupp Mexinox S.A. de C.V. (Mexinox S.A.) and Mexinox USA, Inc. (Mexinox USA) (collectively, Mexinox) and petitioners,¹ the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on stainless

steel sheet and strip in coils (S4 in coils) from Mexico. This administrative review covers imports of subject merchandise from Mexinox S.A. during the period July 1, 2008, to June 30, 2009.

We preliminarily determine that sales of S4 in coils from Mexico have been made below normal value (NV). If these preliminary results are adopted in our final results of this administrative review, we will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties based on the difference between the constructed export price (CEP) and NV. Interested parties are invited to comment on these preliminary results. Parties who submit argument in these proceedings are requested to submit with the argument: (1) A statement of the issues; (2) a brief summary of the argument; and (3) a table of authorities.

DATES: *Effective Date:* August 9, 2010.
