

established in the grant guidelines for each initiative.

III. Application Requirements

A. Application Form: The application and related documents can be found on NCUA's Web site at www.ncua.gov/OSCUI/GrantsandLoans.

B. Minimum Application Content: Each Applicant must complete and submit information regarding the applicant and requested funding. In addition, applicants will be required to certify applications prior to submission.

1. DUNS Number: Based on an Office of Management and Budget (OMB) policy directive effective October 31, 2003, credit unions must have a Data Universal Numbering System (DUNS) number issued by Dun and Bradstreet (D&B) in order to be eligible to receive funding from the OSCUI Grant Program. NCUA will not consider an Application that does not include a valid DUNS number. Such an Application will be deemed incomplete and will be declined. Information on how to obtain a DUNS number may be found on D&B's Web site at <http://fedgov.dnb.com/webform> or by calling D&B, toll-free, at 1-866-705-5711.

2. Employer Identification Number: Each Application must include a valid and current Employer Identification Number (EIN) issued by the U.S. Internal Revenue Service (IRS). NCUA will not consider an application that does not include a valid and current EIN. Such an Application will be deemed incomplete and will be declined. Information on how to obtain a EIN may be found on the IRS's Web site at www.irs.gov.

3. Application: An Applicant requesting a grant must complete an online grant application form which includes required responses. The required responses will address the proposed use of funds and how the credit union will assess the impact of the funding.

C. Submission of Application: Under this NOFO, Applications must be submitted online at www.cybergrants.com/ncua/applications.

IV. Application Review

A. Review Process

1. Eligibility and Completeness Review: NCUA will review each Application to determine whether it is complete and that the Applicant meets the eligibility requirements described in the Regulations, Section II of this NOFO, and the grant guidelines. An incomplete Application or one that does not meet the eligibility requirements

will be declined without further consideration.

2. Substantive Review: After an Applicant is determined eligible and its Application is determined complete, NCUA will conduct a substantive review in accordance with the criteria and procedures described in the Regulations, this NOFO, and the grant guidelines. NCUA reserves the right to contact the Applicant during its review for the purpose of clarifying or confirming information contained in the Application. If so contacted, the Applicant must respond within the time specified by NCUA or NCUA, in its sole discretion, may decline the application without further consideration.

3. Evaluation and Scoring: The evaluation criteria for each initiative will be more fully described in the grant guidelines.

4. Input from Examiners: NCUA will not approve an award to a credit union for which its NCUA regional examining office or State Supervisory Agency (SSA), if applicable, indicates it has safety and soundness concerns. If the NCUA regional office or SSA identifies a safety and soundness concern, OSCUI, in conjunction with the regional office or SSA, will assess whether the condition of the Applicant is adequate to undertake the activities for which funding is requested, and the obligations of the loan and its conditions. NCUA, in its sole discretion, may defer decision on funding an Application until the credit union's safety and soundness conditions improve.

V. Award Process

A. Award Selection: In general, NCUA will make its award selections based on a consistent scoring system where each applicant will receive an individual score. NCUA will consider the impact of the funding. When grant demand is high applications may be ranked based on the aforementioned in addition to factors listed in the grant guidelines.

B. Notice of Award: NCUA will notify each Applicant of its funding decision. Notification will generally be by email. Applicants that are approved for funding will also receive instructions on how to proceed with the reimbursement request for disbursement of funds.

VI. Post-Award Requirements

A. Reporting Requirements: Each awarded credit union must submit a reimbursement request in order to receive the awarded funds. The reimbursement requirements are specific to each initiative. In general, the reimbursement request will require an explanation of the impact of funding

and any success or failure to meet objectives for use of proceeds, outcome, or impact. NCUA, in its sole discretion, may modify these requirements.

VII. Agency Contacts

A. Methods of Contact: For further information, contact NCUA by email at OSCUIAPPS@ncua.gov.

B. Information Technology Support: People who have visual or mobility impairments that prevent them from using NCUA's Web site should call (703) 518-6610 for guidance (this is not a toll free number).
