FEDERAL DEPOSIT INSURANCE CORPORATION

Statement of Policy Regarding the National Historic Preservation Act

AGENCY: Federal Deposit Insurance Corporation (FDIC).

ACTION: Proposed Statement of Policy.

SUMMARY: The FDIC is proposing to revise its Statement of Policy on the National Historic Preservation Act of 1966 (NHPA). The revised Statement of Policy reflects the FDIC's experience and practices in applying the current NHPA Statement of Policy and statutory changes to the NHPA and its implementing regulations. The revised Statement of Policy is relevant to applications for deposit insurance for de novo institutions, applications for the establishment of domestic branches, and applications for the relocation of domestic branches or main offices.

DATES: Comments must be submitted on or before December 19, 2005.

ADDRESSES: You may submit comments by any of the following methods:

- Agency Web site: <http://www.fdic.gov/regulations/laws/federal/propose.html>. Follow the instructions for submitting comments.

- E-mail: comments@fdic.gov.
- Mail: Robert E. Feldman, Executive Secretary, Attention: Comments/Legal ESS, Federal Deposit Insurance Corporation, 550 17th Street, NW., Washington, DC 20429.

SUPPLEMENTARY INFORMATION: The FDIC has determined that its Statement of Policy on the NHPA (SOP) should be revised. See: 1 FDIC Law, Regulations, Related Acts 5175. The proposed SOP, in updating and clarifying the NHPA requirements relevant to applicants and the FDIC, will provide for more efficient processing and timely resolution of matters pertaining to the NHPA. The proposed SOP incorporates the role of Tribal Historic Preservation Officers in the review process to take into account the responsibilities of the FDIC pursuant to a number of statutes relating to Indian Tribes and Native Hawaiian organizations. The proposed Statement of Policy continues to provide for public involvement in the FDIC's NHPA compliance activities through the comment periods provided for relevant applications in 12 CFR part 303.

The NHPA sets forth a national policy to promote the preservation of historic resources. It requires, in part, that all agencies of the Federal Government consider the effects of their undertakings on historic properties. The Advisory Council on Historic Preservation (Advisory Council) has adopted regulations that implement this requirement. 36 CFR part 800. The FDIC considers applications for deposit insurance for de novo institutions, applications to establish a domestic branch, and applications to relocate a domestic branch or main office (collectively, "Covered Applications") to be undertakings for the purposes of section 106 of the NHPA. Because the NHPA has been amended and the Advisory Council has revised its regulations during the interim period, the FDIC is taking this opportunity to revise its SOP to conform to those amendments and revisions.

Request for Public Comment as Part of EGRPA

Consistent with the spirit of section 2222 of the Economic Growth and Regulatory Paperwork Reduction Act of 1996 (EGRPA, 12 U.S.C. 3311), the FDIC requests public comment to

identify any areas of the proposed SOP that are outdated, unnecessary, or unduly burdensome.

The Board of Directors of the FDIC hereby proposes the revised Statement of Policy on the National Historic Preservation Act, as set forth below.

National Historic Preservation Act of 1966 Procedures Relating to Filings Made With the FDIC

This Statement of Policy (SOP) addresses the FDIC's compliance with the National Historic Preservation Act of 1966, as amended, *16 U.S.C. 470 et seq.* (NHPA), with respect to certain applications submitted to the FDIC in accordance with governing regulations at *12 CFR part 303*. This SOP is relevant to applications for deposit insurance for de novo institutions, applications for the establishment of domestic branches, and applications for the relocation of domestic branches or main offices (collectively, "Covered Applications").

Prior to an Applicant taking an action with respect to a property or site relevant to a Covered Application, the FDIC must consider the potential effects of the proposal on the property or site. Relevant sites include any property of historical, architectural, archeological, or cultural significance, including land and structures; such sites may be either included in the National Register of Historic Places (National Register) or eligible for inclusion. Further, properties relevant to a Covered Application include those properties owned or to be owned by the institution, as well as any property that is or will be leased from a third party. Applicants are cautioned that no action should be taken with respect to a property or site relevant to a Covered Application prior to obtaining consent from or entering into an alternative resolution with the FDIC and, as applicable, the appropriate State or Tribal Historic Preservation Officer (SHPO/THPO) and the Advisory Council. Such actions include:

- Demolition of existing buildings or any change to the physical structure or use of the property, or of physical features within the property's setting;
- Excavation of the land, construction of any new structures, or the introduction of visual, atmospheric, or audible elements that diminish the integrity of the property's significant historic features;
- Neglect of a property that causes its deterioration; or
- The transfer, lease, or sale of a property, or any portion of the property by the applicant without adequate and legally enforceable restrictions or conditions to ensure long-term
