

responses to its other issuances, the Board asked that on or before March 22, 2000, those participants each provide the Board with some indication it wished to continue to participate in this operating license adjudication.

The allotted time having passed without a response from CSP or the State, it appears to the Board that neither has an interest in further pursuing this litigation. As a consequence, the Board hereby gives notice that, absent some response from these parties within *thirty days* of the date of publication of this issuance in the **Federal Register** that demonstrates a continued interest in this cause, the Board will terminate the proceeding.¹ Applicant WPPSS and the NRC staff likewise are permitted to file a response to this issuance within that time frame if either wishes to do so.

It is so *Ordered*.

For the Atomic Safety and Licensing Board²

This memorandum and order is issued pursuant to the authority of the Chairman of the Atomic Safety and Licensing Board designated for this proceeding.

Rockville, Maryland.

NUCLEAR REGULATORY COMMISSION

Advisory Committee on Reactor Safeguards; Joint Meeting of the ACRS Subcommittees on Materials and Metallurgy and on Reliability and Probabilistic Risk Assessment; Notice of Meeting

The ACRS Subcommittees on Materials and Metallurgy and on Reliability and Probabilistic Risk Assessment will hold a joint meeting on April 27, 2000, Room T-2B3, 11545 Rockville Pike, Rockville, Maryland.

The entire meeting will be open to public attendance.

The agenda for the subject meeting shall be as follows:

Thursday, April 27, 2000—1 p.m. until the conclusion of business.

The Subcommittees will review a draft Commission paper concerning options for potential revisions to the pressurized thermal shock rule acceptance criterion. The purpose of this meeting is to gather information, analyze relevant issues and facts, and to formulate proposed positions and actions, as appropriate, for deliberation by the full Committee.

Oral statements may be presented by members of the public with the concurrence of the Subcommittee Chairman; written statements will be accepted and made available to the Committee. Electronic recordings will be permitted only during those portions of the meeting that are open to the public, and questions may be asked only by members of the Subcommittees, their consultants, and staff. Persons desiring to make oral statements should notify the cognizant ACRS staff engineer named below five days prior to the meeting, if possible, so that appropriate arrangements can be made.

During the initial portion of the meeting, the Subcommittees, along with any of their consultants who may be present, may exchange preliminary views regarding matters to be considered during the balance of the meeting.

The Subcommittees will then hear presentations by and hold discussions with representatives of the NRC staff and other interested persons regarding this review.

Further information regarding topics to be discussed, whether the meeting has been canceled or rescheduled, and the Chairman's ruling on requests for the opportunity to present oral statements and the time allotted therefor, can be obtained by contacting the cognizant ACRS staff engineer, Mr. Noel F. Dudley (telephone 301/415-6888) between 7:30 a.m. and 4:15 p.m. (EST). Persons planning to attend this meeting are urged to contact the above named individual one or two working days prior to the meeting to be advised of any potential changes to the agenda, etc., that may have occurred.

Dated: March 30, 2000.
