SUPPLEMENTARY INFORMATION:

Title: Annual Report for Chief Compliance Officer of Registrants (OMB Control No. 3038-0080). This is a request for an extension of a currently approved information collection.

Abstract: On April 3, 2012, the Commission adopted Commission regulation 3.3 (Chief Compliance Officer)¹ under sections 4d(d) and 4s(k)² of the Commodity Exchange Act ("CEA"). Commission regulation 3.3 requires each futures commission merchant ("FCM"),³ swap dealer ("SD"),⁴ and major swap participant ("MSP")⁵ to designate, by filing a form 8-R, a chief compliance officer who is responsible for developing and administering policies and procedures that fulfill certain duties of the FCM, SD, or MSP and that are reasonably designed to ensure the registrant's compliance with the CEA and Commission regulations; establishing procedures for the remediation of noncompliance issues identified by the chief compliance officer; establishing procedures for the handling, management response, remediation, retesting, and closing of noncompliance issues; preparing, signing, certifying and filing with the Commission an annual compliance report that contains the information specified in the regulations; amending the annual report if material errors or omissions are identified; and maintaining records of the registrant's compliance policies and procedures and records related to the annual report.

The information collection obligations imposed by Commission regulation 3.3 are essential to ensuring that FCMs, SDs, and MSPs maintain comprehensive policies and procedures that promote compliance with the CEA and

Commission regulations. In particular, the Commission believes that, among other things, these obligations (i) promote compliance behavior through periodic self-evaluation, (ii) inform the Commission of possible compliance weaknesses, (iii) assist the Commission in determining whether the registrant remains in compliance with the CEA and Commission regulations, and (iv) help the Commission to assess whether the registrant has mechanisms in place to adequately address compliance problems that could lead to a failure of the registrant.

Burden Statement: In light of the current number of Commission-registered FCMs, SDs, and MSPs, the Commission revised its estimate of the burden for this collection. Accordingly, the respondent burden for this collection is estimated to be as follows:

Number of Registrants: 178.

Estimated Average Burden Hours per Registrant: 1,006.

Estimated Aggregate Burden Hours: 179,068.

Frequency of Recordkeeping/Third-party Disclosure: Annually or on occasion.

Authority: 44 U.S.C. 3501 *et seq.*

Dated: January 15, 2016.

Robert N. Sidman,

Deputy Secretary of the Commission.
