

opposition to, or in support of, those issues identified by the Commission staff; (3) identify those issues that require a detailed analysis, as well as those issues that do not require a detailed analysis; and (4) solicit all available information, especially quantifiable data, on the resources at issue.

The meetings will be recorded by a stenographer and will become part of the formal record of the Commission's proceeding on the project. Individuals presenting statements at the meeting will be asked to sign in before the meeting starts and to identify themselves clearly for the record.

Site Visit

The applicant and the Commission staff will conduct a project site visit on the morning of September 12th, 2001. We will meet at 8:30 a.m. at the Grande Pointe Power Corporation (GPPC) office at 503 West Michigan Avenue in Three Rivers, and will travel by foot to the project facilities. Those who wish to attend the site visit should contact Mr. Monroe E. Learn (GPPC) no later than Monday September 10, 2001 at (616) 273-8828.

Western Area Power Administration

Proposed Allocation of the Post-2004 Resource Pool-Salt Lake City Area Integrated Projects

AGENCY: Western Area Power Administration, DOE.

ACTION: Notice of public meeting.

SUMMARY: The Western Area Power Administration (Western), a Federal power marketing administration, announced its Post-2004 Resource Pool-Salt Lake City Area Integrated Projects (SLCA/IP) Proposed Allocation of Power on June 13, 2001. Western has decided to hold an additional public information and comment meeting during the comment period.

DATES: The consultation and comment period on Western's proposed allocations began on June 13, 2001, and will end on October 11, 2001.

An information/comment meeting has been scheduled on October 4, 2001, in Salt Lake City, Utah, at the Wallace F. Bennett Federal Building at 10 a.m. MDT.

ADDRESSES: The meeting will be held at 125 South State Street, Room 8102, Salt Lake City, UT. All comments regarding the Proposed Allocation of Power should be directed to: Mr. Burt Hawkes, Power Marketing and Contracts, CRSP Management Center, Western Area Power Administration, P.O. Box 11606, Salt Lake City, UT 84147-0606. Comments may also be faxed to (801) 524-5017 or emailed to post2004slcip@wapa.gov.

FOR FURTHER INFORMATION CONTACT: Mr. Burt Hawkes, Power Marketing and Contracts, (801) 524-3344, or Mr. Lyle Johnson, Public Utilities Specialist, (801) 524-5585. Written requests for information should be sent to CRSP Management Center, Western Area Power Administration, P.O. Box 11606, Salt Lake City, UT 84147-0606.

SUPPLEMENTARY INFORMATION: On June 13, 2001, Western published a notice of proposed allocation from the SLCA/IP resource pool (66 FR 31910). That document anticipated that the location

and times of four public meetings would be announced through a subsequent **Federal Register** document.

Inadvertently, the notice announcing dates, times, and locations of the information and comment meetings on the proposed allocations was not published in the **Federal Register**, although notice of the August meetings was extensively distributed directly to and among all known interested parties. Formal records have been kept of each meeting, and are available to the public upon payment of the cost of transcription and duplication. However, to avoid any procedural issues, this notice announces the date, time, and location of an additional meeting. The format of the meeting will feature an informal presentation to explain Western's proposed allocation and answer questions, followed by a formal comment forum giving interested parties the opportunity to provide comments on Western's proposed allocations. This is the same format used in the meetings that have already been held.

Dated: August 14, 2001.

Michael S. HacsKaylo,

Administrator.
