

rate of 376.67 percent was based has been corroborated previously, pursuant to subsection 776(c) of the Act, and continues to have probative value. Thus, we have preliminarily determined to apply 376.67 percent to the exports of subject merchandise by FHTK during the POR as the facts otherwise available. See Facts-Available Memorandum II.

Preliminary Results of the Reviews

As a result of our new shipper review, we preliminarily determine that a margin of 376.67 percent exists for all of Clipper's exports of the subject merchandise for the period June 1, 2000, through November 30, 2000. As a result of our administrative review, we preliminarily determine that a margin of 376.67 percent exists for FHTK and, as a PRC-entity rate, for all other producers/exporters of the subject merchandise for the period November 1, 1999, through October 31, 2000.

Interested parties may also submit written arguments in case briefs on these preliminary results within 30 days of the date of publication of this notice. Rebuttal briefs, limited to issues raised in case briefs, must be submitted no later than five days after the time limit for filing case briefs. Parties who submit arguments are requested to submit with each argument: (1) a statement of the issue, and (2) a brief summary of the argument. Case and rebuttal briefs must be served on interested parties in accordance with 19 CFR 351.303(f). Also, pursuant to 19 CFR 351.310, within 30 days of the date of publication of this notice, interested parties may request a public hearing on argument raised in the case and rebuttal briefs. Unless the Secretary specifies otherwise, the hearing, if requested, will be held three days after the scheduled date for submission of rebuttal briefs.

The Department will publish the final results of these reviews, including its analysis of issues raised in any case or rebuttal brief, not later than 120 days after the date of publication of this notice.

Upon completion of the final results in these reviews, the Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries.

Furthermore, upon publication of the final results of the reviews, the following deposit rates will be effective with respect to all shipments of fresh garlic from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(c) of the Act: (1) the cash deposit rate for the reviewed companies will be the rates for those firms

established in the final results of this review; (2) for all other PRC exporters of subject merchandise, the cash deposit rate will be the PRC-wide rate of 376.67 percent; and (3) for non-PRC exporters of subject merchandise from the PRC not covered by this review, the less-than-fair-value investigation, or a previous review, the cash deposit rate will be the rate applicable to the PRC supplier of that exporter. These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

Notification of Interested Parties

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during the review periods. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing these determinations and notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: August 17, 2001.

Static Random Access Memory Semiconductors From Taiwan: Notice of Extension of Time Limit for Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce is extending the time limit of the final results of the antidumping duty administrative review on static random access memory semiconductors (SRAMs) from Taiwan. The review covers four producers/exporters of the subject merchandise to the United States. The period of review is April 1, 1999, through March 31, 2000.

EFFECTIVE DATE: August 24, 2001.

FOR FURTHER INFORMATION CONTACT: Irina Itkin at (202) 482-0656, Office of AD/

CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, DC 20230.

The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to 19 CFR part 351 (2000).

Extension of Time Limit for Final Results

Section 751(a)(3)(A) of the Act requires the Department to issue its final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the final results within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the 120 day time limit to 180 days.

The Department issued the preliminary results of the 1999-2000 administrative review of the antidumping duty order on SRAMs from Taiwan on May 4, 2001 (66 FR 22520). Due to the number of complex sales and cost issues raised by the parties in their case briefs (e.g., the appropriate methodology for making sales and cost comparisons, the calculation of yield/loss ratios, etc.), we determine that it is not practicable to complete the final results of this review within the original time period. Therefore, the Department is extending the time limit for issuing the final results to no later than October 31, 2001.

Dated: August 17, 2001.

Susan Kubbach,

Acting Deputy Assistant Secretary for Import Administration.
