⁵ For a complete description of the scope of the *Order*, see Memorandum, "Initiation and Preliminary Results of Changed Circumstances Review," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive.

Initiation and Preliminary Results of CCR

Pursuant to section 751(b)(1) of the Act, Commerce will conduct a CCR upon receipt of information concerning, or a request from, an interested party for a review of an AD order which shows changed circumstances sufficient to warrant a review of the order. The information submitted by Kader Exports supporting its claim that it is the successor-in-interest to Liberty Group demonstrates changed circumstances sufficient to warrant such a review.⁶ Therefore, in accordance with section 751(b)(1)(A) of the Act and 19 CFR 351.216(d) and (e), we are initiating a CCR based upon the information contained in Kader Exports' submission.

Section 351.221(c)(3)(ii) of Commerce's regulations permits Commerce to combine the notice of initiation of a CCR and the notice of preliminary results if Commerce concludes that expedited action is warranted.⁷ In this instance, because the record contains information necessary to make a preliminary finding, we find that expedited action is warranted and have combined the notice of initiation and the notice of preliminary results.⁸

In this CCR, pursuant to section 751(b) of the Act, Commerce conducted a successor-in-interest analysis. In making a successor-in-interest determination, Commerce examines several factors, including, but not limited to, changes in the following: (1) management; (2) production facilities; (3) supplier relationships; and (4) customer base.⁹ While no single factor or combination of factors will necessarily provide a dispositive indication of a successor-in-interest relationship, generally, Commerce will consider the new company to be the

successor to the previous company if the new company's resulting operation is not materially dissimilar to that of its predecessor.¹⁰ Thus, if the record evidence demonstrates that, with respect to the production and sale of the subject merchandise, the new company operates as the same business entity as the predecessor company, Commerce may assign the new company the cash deposit rate of its predecessor.¹¹

In accordance with 19 CFR 351.216, we preliminarily determine that Kader Exports is the successor-in-interest to the Liberty Group. Record evidence, as submitted by Kader Exports, indicates that Kader Exports operates as essentially the same business entity as the Liberty Group with respect to the subject merchandise.¹²

A list of the topics discussed in the Preliminary Decision Memorandum is included as the appendix to this notice.
