#### **Aran Mold & Die Company, Incorporated, Elmwood Park, NJ; Notice of Affirmative Determination Regarding Application for Reconsideration**

By letter of April 2, 2003, a petitioner requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to workers of the subject firm. The denial notice was signed on February 12, 2003, and published in the **Federal Register** on March 26, 2003 (68 FR 14708).

The Department reviewed the request for reconsideration and has determined that the subject firm workers did produce a product (plastic injection

molds). Therefore, the Department will conduct further investigation to determine if the workers meet the eligibility requirements of the Trade Act of 1974.

### Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 15th day of April, 2003.

The notice was published in the **Federal Register** on March 19, 2003 (68 FR 13332).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of broadband communication products.

These employees provided sales function services for the production of broadband

communication products at the Manlius, New York location of the subject firm.

Accordingly, the Department is amending the certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of C-Cor.Net, Manlius, New York who were adversely affected by increased imports.

The amended notice applicable to TA-W-50,497 is hereby issued as follows:

All workers of C-Cor.Net, Philips Broadband Networks, Manlius, New York, including employees of C-Cor.Net, Manlius, New York, located in Minnesota, Washington, Texas, Ohio and Colorado, who became totally or partially separated from employment on or after January 2, 2002, through March 5, 2005, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.
