DEPARTMENT OF JUSTICE

Drug Enforcement Administration

[Docket No. 99-13]

Alexander Drug Company, Inc.; Revocation of Registration

The Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA) issued an Order to Show Cause, dated January 22, 1999, to Alexander Drug Co., Inc. (Respondent), seeking to revoke its DEA Certificate of Registration, #BA2660214, and deny any applications for renewal of such registration pursuant to 21 U.S.C. 824(a)(2) for the reason that the Respondent was convicted of a felony related to controlled substances, and section 824(a)(4) for the reason that the Respondent's continued registration would be inconsistent with the public interest, as defined in 21 U.S.C. 823(f). The Order to Show Cause alleged that these grounds were evidenced by the following:

1. The Respondent pharmacy had violated several state regulations and laws regarding record keeping.

2. A pharmacist employee of the Respondent dispensed a controlled substance on two occasions without a physician's authorization.

3. A DEA inspection on August 6, 1996, revealed over one-thousand record keeping violations.

4. On April 28, 1997, the Respondent pharmacy and the president of the Respondent pharmacy were indicted on sixteen felony counts of maintaining false records and one count of conspiracy.

5. On July 28, 1997, the Respondent pharmacy was convicted, upon a plea of guilty, of a felony related to maintaining false records.

6. The president of the Respondent pharmacy was indicted and convicted upon a plea of guilty of one felony count of obstructing a federal officer.

7. The president of the Respondent pharmacy was indicted on three felony counts of making a misrepresentation in the filing of insurance billing.

8. On December 22, 1997, a pharmacist employee of the Respondent was charged with one felony count of obtaining controlled substances under false pretenses and one felony count of conspiracy to obtain controlled substances by fraud.

The Respondent timely filed a request for a hearing on the allegations raised by the Order to Show Cause. After granting the Respondent's emergency motion for a continuance on June 7, 1999, the requested hearing was held in

Greenville, South Carolina, on August 17, 1999, before Administrative Law Judge Gail A. Randall. At the hearing, both parties called witnesses to testify and introduced documentary evidence. After the hearing, both parties filed Proposed Findings of Fact, Conclusions of Law Argument. On March 22, 2000, Judge Randall issued her Recommended Rulings, Findings of Fact, Conclusions of Law, and Decision of the Administrative Law Judge (Opinion). On May 17, 2000, the record of these proceedings was transmitted to the Administrator for final decision.

The Administrator has considered the record in its entirety, and pursuant to 21 CFR 1316.67, hereby issues his final order based upon the findings of fact and conclusions of law as hereinafter set forth. The Administrator adopts the findings of fact as set forth in Judge Randall's Opinion and also adopts Judge Randall's recommended conclusions of law and decision.

The issue in this proceeding is whether or not the record as a whole establishes a by a preponderance of the evidence that the DEA should revoke the DEA Certificate of Registration of Alexander Drug Co., pursuant to 21 U.S.C. 824(a)(2) and 824(a)(4), and should deny any pending applications for renewal of such registration as a retail pharmacy pursuant to 21 U.S.C. 823(f), because Alexander Drug Co. was convicted of a felony and an officer of Alexander Drug Co. was convicted of a misdemeanor arising out of this investigation but not related to controlled substances, and because the continued registration of Alexander Drug Co. would be inconsistent with the public interest.

The Administrator finds as follows: The Respondent is located in Greenville, South Carolina, and holds a DEA Certificate of Registration, BA2660214, as a retail pharmacy. The Respondent timely submitted a renewal application for this registration, that remains pending before the DEA. Mark Wansley is the President, owner, and pharmacist in charge of Respondent pharmacy. Sam Gaillard began working in charge of Respondent pharmacy. Sam Gaillard began working as a pharmacist for the Respondent in 1955. In 1957, he purchased the Respondent. In 1991, he sold the Respondent to Mr. Wansley but continued to be employed by the Respondent as a pharmacist until 1998.

On July 20, 1994, two inspectors of the South Carolina Department of Health and Environmental Control (DHEC) conducted a routine inspection of the Respondent's controlled substance dispensing records. The inspectors noted their findings on a
