SUPPLEMENTARY INFORMATION: On June 15, 1984, OMB delegated to the Board authority under the PRA to approve and assign OMB control numbers to collection of information requests and requirements conducted or sponsored by the Board. In exercising this delegated authority, the Board is directed to take every reasonable step to solicit comment. In determining whether to approve a collection of information, the Board will consider all comments received from the public and other agencies.

Request for Comment on Information Collection Proposal

The Board invites public comment on the following information collection, which is being reviewed under authority delegated by the OMB under the PRA. Comments are invited on the following:

a. Whether the proposed collection of information is necessary for the proper performance of the Board's functions, including whether the information has practical utility;

b. The accuracy of the Board's estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used;

c. Ways to enhance the quality, utility, and clarity of the information to be collected;

d. Ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

e. Estimates of capital or startup costs and costs of operation, maintenance, and purchase of services to provide information.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the Board should modify the proposal.

Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Report title: Recordkeeping Provisions Associated with the Interagency Statement on Complex Structured Finance Activities.

Agency form number: FR 4022.

OMB control number: 7100-0311.

Frequency: Annual.

Respondents: State member banks, bank holding companies (other than foreign banking organizations), savings and loan holding companies (SLHCs), and U.S. branches and agencies of foreign banks.

Estimated number of respondents: 18.

Estimated average hours per response: 10.

Estimated annual burden hours: 180.

General description of report: The guidance provides that state member banks, bank holding companies (other than foreign banking organizations), SLHCs, and U.S. branches and agencies of foreign banks supervised by the Board should establish and maintain policies and procedures for identifying, evaluating, assessing, documenting, and controlling risks associated with certain complex structured finance transactions (CSFTs). The guidance states that supervised entities should provide sufficient information and convey reports to the institution's management and board of directors concerning elevated risks from CSFTs.

Legal authorization and confidentiality: The Board is authorized to issue the recordkeeping guidance associated with the Interagency Statement with respect to state member banks pursuant to sections 9(7), 11(a), 21(4), and 25(4) of the Federal Reserve Act (12 U.S.C. 325, 248(a), 483, and 602); with respect to bank holding companies pursuant to section 5(c) of the Bank Holding Company Act (12 U.S.C. 1844(c)); with respect to SLHCs pursuant to section 10(b) and (g) of the Home Owners' Loan Act (12 U.S.C. 1467a(b) and (g)); and with respect to U.S. branches and agencies of foreign banks pursuant to sections 7(c) and 13(a) of the International Banking Act of 1978 (12 U.S.C. 3105(c) and 3108(a)).

Because the recordkeeping provisions are contained within guidance, which is nonbinding, these provisions are voluntary. There are no reporting forms associated with the recordkeeping provisions of the Interagency Statement. Because any policies, procedures, or other records that were voluntarily created pursuant to the guidance in the Interagency Statement would be maintained at each financial institution,

the Freedom of Information Act (FOIA) would only be implicated if the Board obtained such records as part of the examination or supervision of a financial institution. In the event the records are obtained by the Board as part of an examination or supervision of a financial institution, this information is considered confidential pursuant to exemption 8 of the FOIA, which protects information contained in "examination, operating, or condition reports" obtained in the bank supervisory process (5 U.S.C. 552(b)(8)). In addition, the information may also be kept confidential under exemption 4 of the FOIA, which protects trade secrets or confidential commercial or financial information that is reasonably likely to result in substantial competitive harm if disclosed (5 U.S.C. 552(b)(4)).

Budget, New Executive Office Building, Room 10235, 725 17th Street NW, Washington, DC 20503 or by fax to (202) 395-6974.

SUPPLEMENTARY INFORMATION: On June 15, 1984, OMB delegated to the Board authority under the Paperwork Reduction Act (PRA) to approve and assign OMB control numbers to collection of information requests and requirements conducted or sponsored by the Board. Board-approved collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the PRA Submission, supporting statements and approved collection of information instrument(s) are placed into OMB's public docket files. The Board may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Final Approval Under OMB Delegated Authority of the Extension for Three Years, Without Revision, of the Following Information Collection

Report title: Recordkeeping Requirements of Regulation H and Regulation K Associated with the Procedures for Monitoring Bank Secrecy Act Compliance.

Agency form number: FR K.

OMB control number: 7100-0310.

Frequency: Annually.

Respondents: State member banks; Edge and agreement corporations; and certain U.S. branches, agencies, and representative offices of foreign banks supervised by the Board.

Estimated number of respondents: Establish compliance program—1; maintenance of compliance program—957.

Estimated average hours per response: Establish compliance program—16; maintenance of compliance program—4.

Estimated annual burden hours: Establish compliance program—16; maintenance of compliance program—3,828.

General description of report: The Board's Regulation K and Regulation H require state member banks, Edge and agreement corporations and, except for a federal branch or a federal agency or a state branch that is insured by the Federal Deposit Insurance Corporation, the U.S. branches, agencies, and representative offices of foreign banks supervised by the Board to establish a written Bank Secrecy Act (BSA) compliance program that includes the following components: (1) A system of internal controls to assure ongoing

compliance, (2) independent testing of compliance by the institution's personnel or by an outside party, (3) the designation of an individual or individuals for coordinating and monitoring day-to-day compliance, and (4) training for appropriate personnel.¹ The compliance program must be approved by the board of directors of the state member bank, Edge corporation, or agreement corporation and must be noted in the institution's minutes. In the case of a branch, agency, or representative office of a foreign bank, the compliance program may be approved by the foreign bank's board of directors and noted in the minutes or approved by a delegate acting under the express authority of the foreign bank's board of directors.

Legal authorization and confidentiality: The FR K is authorized pursuant to the Federal Deposit Insurance Act (12 U.S.C. 1818(s)), which requires the federal banking agencies, including the Board, to (1) prescribe regulations requiring the institutions they regulate to establish and maintain procedures reasonably designed to assure and monitor compliance with the BSA and (2) to review such procedures during the course of their examinations.² The FR K is mandatory.

Because the Federal Reserve will not collect this information, confidentiality issues would normally not arise. Because the records will be retained at banking organizations, the Freedom of Information Act (FOIA) will only be implicated if the Board's examiners retain a copy of the record as part of an examination or supervision of a banking institution. In that case, the records would be exempt from disclosure under exemption 8 of the FOIA, which protects examination materials from disclosure (5 U.S.C. 552(b)(8)). Exemption 4 of the FOIA, which protects confidential financial information, may also be applicable (5 U.S.C. 552(b)(4)).

Current actions: On February 5, 2019, the Board published a notice in the **Federal Register** (84 FR 1731) requesting public comment for 60 days on the extension, without revision, of the FR K. The comment period for this notice expired on April 8, 2019. The Board did not receive any comments.

¹ See 12 CFR 208.63(c); these specific requirements are incorporated by reference in 12 CFR 211.5(m)(1) and 211.24(j)(1).

² The Board's authority in 12 U.S.C. 1818(s) to prescribe regulations includes the entities required to comply with section 208.63 of the Board's Regulation H (12 CFR 208.63) and sections 211.5(m)(1) and 211.24(j)(1) of the Board's Regulation K (12 CFR 211.5(m)(1) and 12 CFR 211.24(j)(1)).

Assistant Secretary of the Board.
