#### Morganite, Inc., Commutator Division, Now Known as Energy Conversion Systems Holdings LLC, Commutator Division, Dunn, NC; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued Amended Certification Regarding Eligibility to Apply for Worker Adjustment Assistance on April 23, 2004, applicable to workers of Morganite, Inc.,

Commutator Division, Dunn, North Carolina. The notice was published in the **Federal Register** on June 2, 2004 (69 FR 31136).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of commutators for fractional horsepower motors in consumer applications.

New information shows that Morganite, Inc., Commutator Division became known as Energy Conversion Systems Holdings, LLC, Commutator Division, after the subject firms' assets and operations were sold to Energy Conversion Systems Holdings, LLC in June 2004. Workers separated from employment as the subject firm had their wages reported under a separated unemployment insurance (UI) tax account for Energy Conversion Systems Holdings, LLC, Commutator Division.

Accordingly, the Department is amending this certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of Morganite, Inc., Commutator Division, now known as Energy Conversion Systems Holdings LLC, Commutator Division, who were adversely affected by increased imports.

The amended notice applicable to TA-W-54,408 is hereby issued as follows:

All workers of Morganite, Inc., Commutator Division, now known as Energy Conversion Systems Holdings LLC, Commutator Division, Dunn, North Carolina, who became totally or partially separated from employment on or after February 16, 2003, through April 23, 2006, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, DC this 8th day of April 2005.

#### Roseburg Forest Products Particleboard Plant, a Subsidiary of RLC Industries, Roseburg, OR; Notice of Affirmative Determination Regarding Application for Reconsideration

By letter dated March 29, 2005, the Western Council of Industrial Workers,

Local 2949, requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to workers of the subject firm. The determination was signed on February 4, 2005 and the Department's Notice of determination was published in the **Federal Register** on March 9, 2005 (70 FR 11703). The workers of the subject company produce particleboard.

The negative determination was based on the findings that subject company sales and production increased during the investigatory period, that the subject company did not have any imports of like or directly competitive products, and that the subject company did not shift particleboard production abroad.

In the request for reconsideration, the petitioner alleges that particleboard production decreased during the relevant period.

The Department has carefully reviewed the request for reconsideration and has determined that the Department will conduct further investigation based on new information provided by the petitioner.

### Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 6th day of April 2005.
