Total Estimated Number of Annual Responses: 165.

Total Estimated Number of Annual Burden Hours: 4,455.

Abstract: This information collection (OMB 1840-0807) includes application instructions and forms for the National Resource Centers (NRC) Program (CFDA Number 84.015A) and the Foreign Language and Area Studies (FLAS) Fellowships Program (CFDA Number 84.015B), authorized under Title VI of the Higher Education Act of 1965, as amended (20 U.S.C. 1122).

The FLAS Fellowship Program awards allocations of fellowships, through institutions of higher education, to meritorious students enrolled in programs that offer performance-based instruction in world languages in combination with area studies, international studies, or the

international aspects of professional studies.

This collection is being submitted under the Streamlined Clearance Process for Discretionary Grant Information Collections (1894–0001). Therefore, the 30-day public comment period notice will be the only public comment notice published for this information collection.
