

“REGISTER FOR NSAC MEETING” in the subject line. The deadline for members of the public to register to attend the meeting in-person is Friday, March 24, at 5 p.m. Eastern Time. Members of the public are encouraged to submit registration requests via email in advance of the deadline, as space is limited and will be available on a first-come, first-served basis for those who register in advance. We will note when the limit of in-person attendees has been reached. The meeting will also stream live virtually, and a link will be distributed in advance of the meeting to registrants and also on the Federal Maritime Commission’s website, www.fmc.gov. Please note in the registration request if you would like to attend in person or virtually.

FOR FURTHER INFORMATION CONTACT: Mr. Dylan Richmond, Designated Federal Officer of the National Shipper Advisory Committee, phone: (202) 523-5810; email: drichmond@fmc.gov.

SUPPLEMENTARY INFORMATION:

Background: The National Shipper Advisory Committee is a federal advisory committee. It operates under the provisions of the Federal Advisory Committee Act, 5 U.S.C. App., and 46 U.S.C. chapter 425. The Committee was established on January 1, 2021, when the National Defense Authorization Act for Fiscal Year 2021 became law. Public Law 116-283, section 8604, 134 Stat. 3388 (2021). The Committee provides information, insight, and expertise pertaining to conditions in the ocean freight delivery system to the Commission. Specifically, the Committee advises the Federal Maritime Commission on policies relating to the competitiveness, reliability, integrity, and fairness of the international ocean freight delivery system. 46 U.S.C. 42502(b).

The Committee’s agenda items will include the election of a Chair and Vice Chair. The Committee will also receive an update from Commissioner Carl Bentzel and from each of its subcommittees. The Committee may receive proposals for recommendations to the Federal Maritime Commission and may vote on these recommendations. Any proposed recommendations will be available for the public to view in advance of the meeting on the NSAC’s website, <https://www.fmc.gov/industry-oversight/national-shipper-advisory-committee/>.

Public Comments: Members of the public may submit written comments to NSAC at any time. Comments should be addressed to NSAC, c/o Dylan Richmond, Federal Maritime Commission, 800 North Capitol St. NW,

Washington, DC 20573 or nsac@fmc.gov.

The Committee will also take public comment at its meeting. If attending the meeting and providing comments, please note that in the registration request. Comments are most helpful if they address the Committee’s objectives or their proposed recommendations. Comments at the meeting will be limited to 3 minutes each.

A copy of all meeting documentation, including meeting minutes, will be available at www.fmc.gov following the meeting.

By the Commission.

Dated: March 10, 2023.

William Cody,

Secretary.

SUPPLEMENTARY INFORMATION:

- *ARHB, Ethiopia:* The single-source award will continue supporting the ARHB in delivering comprehensive HIV/AIDS services to reach HIV epidemic control and other public health priorities.

The ARHB is in a unique position to conduct this work, as it is a government entity established by law with a legal authority and mandated to plan, manage, administer, and coordinate all health-related activities in the Amhara region. It is the uniquely qualified and sole agent of the Ethiopian Government with this mandate and responsibility in the Region.

- *UVRI, Uganda:* The single-source award will support the Ministry of

Health (MOH) with the diagnosis of viral pathogens of public health concern.

UVRI is in a unique position to conduct this work, as it a MOH institution with the mandate to solely provide HIV-related quality assurance and diagnosis of viral pathogens of public health concern for the country.

- *HMU, Vietnam:* The single-source award will support HMU to implement innovations and generate evidence-based models for the National HIV Program and other public health programs by institutionalizing best practices through support for innovation implementation, evaluations, surveillance, and health information systems.

HMU is in a unique position to conduct this work, as it is a parastatal university affiliated to and mandated by the Ministry of Health as Vietnam's primary health workforce training and research institution in the health sector. HMU is the only institution capable of fulfilling the purpose of this NOFO due to its unique position as the sole institution in Vietnam to lead a national network of medical universities, colleges, and secondary medical schools.

- *NIPH, Cambodia:* The single-source award will continue supporting NIPH to fulfill their essential roles to help Cambodia reach and sustain the UNAIDS 95–95–95 goals.

NIPH is in a unique position to conduct this work, as it is the only recognized national reference laboratory authorized by the MOH under Sub-decree 67 ANKr.BK.

- *UNOPS/Stop, HQ:* The single-source award will continue supporting a multi-sectoral approach to re-imagine TB care.

UNOPS/STOP is in a unique position to conduct this work, as it the only organization that has been charged by the World Health Assembly, through Resolution WHA 67.1, to work with the World Health Organization to develop a global investment plan to guide the implementation of the global strategy and targets for TB prevention, care, and control after 2015, that was approved and adopted by all member states.

Clinical Laboratory Improvement Advisory Committee

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice of meeting.

SUMMARY: In accordance with regulatory provisions, the Centers for Disease Control and Prevention (CDC) announces the following meeting for the Clinical Laboratory Improvement Advisory Committee (CLIAC). This meeting is open to the public, limited only by the number of webcast lines available. Time will be available for public comment.

DATES: The meeting will be held on April 12, 2023, from 11 a.m. to 5:30 p.m., EDT, and April 13, 2023, from 11 a.m. to 5 p.m., EDT.

ADDRESSES: This is a virtual meeting. Meeting times are tentative and subject to change. The confirmed meeting times, agenda items, and meeting materials, including instructions for accessing the live meeting broadcast, will be available on the CLIAC website at <https://www.cdc.gov/cliac>. Check the website on the day of the meeting for the web conference link.

FOR FURTHER INFORMATION CONTACT:

Heather Stang, MS, Senior Advisor for Clinical Laboratories, Division of Laboratory Systems, Office of Laboratory Science and Safety, Centers for Disease Control and Prevention, 1600 Clifton Road NE, Mailstop V24-3, Atlanta, Georgia 30329-4027. Telephone: (404) 498-2769; Email: HStang@cdc.gov.

SUPPLEMENTARY INFORMATION:

Purpose: The Clinical Laboratory Improvement Advisory Committee (CLIAC) is charged with providing scientific and technical advice and guidance to the Secretary, HHS; the Assistant Secretary for Health; the Director, CDC; the Commissioner, Food and Drug Administration (FDA); and the Administrator, Centers for Medicare &

Medicaid Services (CMS). The advice and guidance pertain to general issues related to improvement in clinical laboratory quality and laboratory medicine and specific questions related to possible revision of the Clinical Laboratory Improvement Amendments of 1988 (CLIA) standards. Examples include providing guidance on studies designed to improve quality, safety, effectiveness, efficiency, timeliness, equity, and patient-centeredness of laboratory services; revisions to the standards under which clinical laboratories are regulated; the impact of proposed revisions to the standards on medical and laboratory practice; and the modification of the standards and provision of non-regulatory guidelines to accommodate technological advances, such as new test methods, the electronic transmission of laboratory information, and mechanisms to improve the integration of public health and clinical laboratory practices.

Matters To Be Considered: The agenda will include agency updates from CDC, CMS, and FDA. Presentations and CLIAC discussions will focus on reports from two CLIAC workgroups: the CLIA Regulations Assessment Workgroup and the CLIA Certificate of Waiver and Certificate for Provider-performed Microscopy Procedures Workgroup, and on the laboratory's role in advancing health equity. Agenda items are subject to change as priorities dictate.

Public Participation

It is the policy of CLIAC to accept written public comments and provide a brief period for oral public comments pertinent to agenda items.

Oral Public Comment: Public comment periods for each agenda item are scheduled immediately prior to the Committee discussion period for that item. In general, each individual or group requesting to present an oral comment will be limited to a total time of five minutes (unless otherwise indicated). Speakers should email CLIAC@cdc.gov or notify the contact person above (see **FOR FURTHER INFORMATION CONTACT**) at least five business days prior to the meeting date.

Written Public Comment: CLIAC accepts written comments until the date of the meeting (unless otherwise stated). However, it is requested that comments be submitted at least five business days prior to the meeting date so that the comments may be made available to the Committee for their consideration and public distribution. Written comments should be submitted by email to CLIAC@cdc.gov or to the contact person above. All written comments will be
