

activities to adapt them to current needs. The information collected will be used to advise programs and provide capacity-building assistance tailored to the identified needs.

Overall, these development activities are intended to provide information that will increase the success of the surveillance or research projects through increasing response rates and decreasing response error, thereby decreasing future data collection burden to the public. The studies that will be covered under this request will include one or more of the following investigational modalities: (1)

Structured and qualitative interviewing for surveillance, research, interventions and material development, (2) cognitive interviewing for development of specific data collection instruments, (3) methodological research (4) usability testing of technology-based instruments and materials, (5) field testing of new methodologies and materials, (6) investigation of mental models for health decision-making, to inform health communication messages, and (7) organizational needs assessments to support development of capacity. Respondents who will participate in

individual and group interviews (qualitative, cognitive, and computer assisted development activities) are selected purposively from those who respond to recruitment advertisements.

In addition to utilizing advertisements for recruitment, respondents who will participate in research on survey methods may be selected purposively or systematically from within an ongoing surveillance or research project. Participation of respondents is voluntary. The total burden hours are 55,820. There is no cost to participants other than their time.

Administration for Children and Families

Proposed Information Collection Activity; Comment Request

Proposed Project: Implementation
Plan Guidance for the Tribal Maternal,
Infant, and Early Childhood Home
Visiting Grant Program.

Title: Tribal Maternal, Infant, and
Early Childhood Home Visiting Program
Needs Assessment and Implementation
Plan.

OMB No.: 0970-0389.

Description: Social Security Act, Title
V, Section 511 (42 U.S.C. 711), as added
by § 2951 of the Patient Protection and
Affordable Care Act (Pub. L. 111-148),

created the Maternal, Infant, and Early
Childhood Home Visiting Program
(MIECHV) and authorized the Secretary
of HHS (in Section 511(h)(2)(A)) to
award grants to Indian tribes (or a
consortium of Indian tribes), tribal
organizations, or urban Indian
organizations to conduct an early
childhood home visiting program. The
legislation set aside 3 percent of the
total MIECHV program appropriation
(authorized in Section 511(j)) for grants
to tribal entities. Tribal MIECHV grants,
to the greatest extent practicable, are to
be consistent with the requirements of
the MIECHV grants to states and
jurisdictions (authorized in Section
511(c)), and include conducting a needs
assessment and establishing
quantifiable, measurable benchmarks.

The Administration for Children and
Families, Office of Child Care and Office
of the Deputy Assistant Secretary for
Early Childhood Development, in
collaboration with the Health Resources
and Services Administration, Maternal
and Child Health Bureau, plans to
awarded grants for the Tribal Maternal,
Infant, and Early Childhood Home
Visiting Program (Tribal Home Visiting).
The Tribal Home Visiting grant awards

will support 5-year cooperative
agreements to conduct community
needs assessments, plan for and
implement high-quality, culturally-
relevant, evidence-based home visiting
programs in at-risk Tribal communities,
and participate in research and
evaluation activities to build the
knowledge base on home visiting among
Native populations.

In Year 1 of the cooperative
agreement, grantees must (1) conduct a
comprehensive community needs and
readiness assessment and (2) develop a
plan to respond to identified needs.
Specifically, grantees will be required to
conduct or update a needs and
readiness assessment, and develop an
implementation plan to respond to
those needs, including a plan for
performance measurement and CQI and
participating in or conducting rigorous
evaluation activities. Grantees will be
expected to submit the needs
assessment and implementation plan
within 10 months of the Year 1 award
date.

Respondents: Tribal Maternal, Infant,
and Early Childhood Home Visiting
Program Year 1 Grantees.
