DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID FEMA-2020-0002; Internal Agency Docket No. FEMA-B-2018]

Proposed Flood Hazard Determinations

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice.

SUMMARY: Comments are requested on proposed flood hazard determinations, which may include additions or modifications of any Base Flood Elevation (BFE), base flood depth, Special Flood Hazard Area (SFHA) boundary or zone designation, or regulatory floodway on the Flood Insurance Rate Maps (FIRMs), and where applicable, in the supporting Flood Insurance Study (FIS) reports for the communities listed in the table below. The purpose of this notice is to seek general information and comment regarding the preliminary FIRM, and where applicable, the FIS report that the Federal Emergency Management Agency (FEMA) has provided to the affected communities. The FIRM and FIS report are the basis of the floodplain management measures that the community is required either to adopt or to show evidence of having in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP). In addition, the FIRM and FIS report, once effective, will be used by insurance agents and others to calculate appropriate flood insurance premium rates for new buildings and the contents of those buildings.

DATES: Comments are to be submitted on or before June 25, 2020.

ADDRESSES: The Preliminary FIRM, and where applicable, the FIS report for each community are available for inspection at both the online location <https://www.fema.gov/preliminaryfloodhazarddata> and the respective Community Map Repository address listed in the tables below. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA

Map Service Center at <https://msc.fema.gov> for comparison.

You may submit comments, identified by Docket No. FEMA-B-2018, to Rick Sacbibit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW, Washington, DC 20472, (202) 646-7659, or (email) patrick.sacbibit@fema.dhs.gov.

FOR FURTHER INFORMATION CONTACT: Rick Sacbibit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW, Washington, DC 20472, (202) 646-7659, or (email) patrick.sacbibit@fema.dhs.gov; or visit the FEMA Map Information eXchange (FMIX) online at https://www.floodmaps.fema.gov/fhm/fmx_main.html.

SUPPLEMENTARY INFORMATION: FEMA proposes to make flood hazard determinations for each community listed below, in accordance with section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR 67.4(a).

These proposed flood hazard determinations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances

that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own or pursuant to policies established by other Federal, State, or regional entities. These flood hazard determinations are used to meet the floodplain management requirements of the NFIP and are used to calculate the appropriate flood insurance premium rates for new buildings built after the FIRM and FIS report become effective.

The communities affected by the flood hazard determinations are provided in the tables below. Any request for reconsideration of the revised flood hazard information shown on the Preliminary FIRM and FIS report that satisfies the data requirements outlined in 44 CFR 67.6(b) is considered an appeal. Comments unrelated to the flood hazard determinations also will be considered before the FIRM and FIS report become effective.

Use of a Scientific Resolution Panel (SRP) is available to communities in support of the appeal resolution process. SRPs are independent panels of experts in hydrology, hydraulics, and other pertinent sciences established to review conflicting scientific and technical data and provide recommendations for resolution. Use of the SRP only may be exercised after

FEMA and local communities have been engaged in a collaborative consultation process for at least 60 days without a mutually acceptable resolution of an appeal. Additional information regarding the SRP process can be found online at https://www.floodsrp.org/pdfs/srp_overview.pdf.

The watersheds and/or communities affected are listed in the tables below. The Preliminary FIRM, and where applicable, FIS report for each community are available for inspection at both the online location <https://www.fema.gov/preliminaryfloodhazarddata> and the respective Community Map Repository address listed in the tables. For communities with multiple ongoing Preliminary studies, the studies can be identified by the unique project number and Preliminary FIRM date listed in the tables. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.

Federal Emergency Management Agency

[Docket ID FEMA-2020-0003]

National Flood Insurance Program (NFIP); Assistance to Private Sector Property Insurers, Notice of FY 2021 Arrangement

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice.

SUMMARY: The Federal Emergency Management Agency announces the Fiscal Year 2021 Financial Assistance/ Subsidy Arrangement for private property insurers interested in participating in the National Flood Insurance Program's Write Your Own Program.

DATES: Interested insurers must submit intent to subscribe or re-subscribe to the Arrangement by June 25, 2020.

FOR FURTHER INFORMATION CONTACT: Sarah Devaney-Ice, Branch Chief, Federal Insurance and Mitigation Administration, FEMA, 400 C St. SW, Washington, DC 20472 (mail); (202) 320-5577 (phone); or sarah.devaney-ice@fema.dhs.gov (email).

SUPPLEMENTARY INFORMATION:

I. Background

The National Flood Insurance Act of 1968 (NFIA), as amended (42 U.S.C. 4001 *et seq.*), authorizes the Administrator of the Federal Emergency Management Agency (FEMA) to establish and carry out a National Flood Insurance Program (NFIP) to enable interested persons to purchase insurance against loss resulting from physical damage to or loss of real or personal property arising from flood in the United States. *See* 42 U.S.C. 4011(a).

Under the NFIA, FEMA has the authority to undertake arrangements to carry out the NFIP through the facilities of the Federal Government, utilizing, for the purposes of providing flood insurance coverage, insurance companies and other insurers, insurance agents and brokers, and insurance adjustment organizations as fiscal agents of the United States. *See* 42 U.S.C. 4071. To this end, FEMA may "enter into any contracts, agreements, or other appropriate arrangements" with private insurance companies to utilize their facilities and services in administering the NFIP on such terms and conditions as may be agreed upon. *See* 42 U.S.C. 4081(a).

Pursuant to this authority, FEMA enters into a standard Financial Assistance/Subsidy Arrangement (Arrangement) with private sector property insurers, also known as Write Your Own (WYO) companies, to sell NFIP flood insurance policies under their own names and adjust and pay claims arising under the Standard Flood Insurance Policy (SFIP). Each Arrangement entered into by a WYO company must be in the form and substance of the standard Arrangement, a copy of which is published in the **Federal Register** annually, at least 6 months prior to becoming effective. *See* 44 CFR 62.23(a).

II. Notice of Availability

Insurers interested in participating in the WYO Program for Fiscal Year 2021 must contact Sarah Devaney-Ice at sarah.devaney-ice@fema.dhs.gov by June 25, 2020.

Prior participation in the WYO Program does not guarantee that FEMA will approve continued participation. FEMA will evaluate requests to participate in light of publicly available information, industry performance data, and other criteria listed in 44 CFR 62.24 and the FY 2021 Arrangement, copied below. FEMA encourages private insurance companies to supplement this information with customer satisfaction

surveys, industry awards or recognition, or other objective performance data. In addition, private insurance companies should work with their vendors and subcontractors involved in servicing and delivering their insurance lines to ensure FEMA receives the information necessary to effectively evaluate the criteria set forth in its regulations.

FEMA will send a copy of the offer for the FY 2021 Arrangement, together with related materials and submission instructions, to all private insurance companies successfully evaluated by the NFIP. If FEMA, after conducting its evaluation, chooses not to renew a Company's participation, FEMA, at its option, may require the continued performance of all or selected elements of the FY 2020 Arrangement for a period required for orderly transfer or cessation of the business and settlement of accounts, not to exceed 18 months. *See* FY 2020 Arrangement, Article V.C. All evaluations, whether successful or unsuccessful, will inform both an overall assessment of the WYO Program and any potential changes FEMA may consider regarding the Arrangement in future fiscal years.

Any private insurance company with questions may contact FEMA at: Sarah Devaney-Ice, Federal Insurance and Mitigation Administration, FEMA, 400 C St. SW, Washington, DC 20472 (mail); (202) 320-5577 (phone); or sarah.devaney-ice@fema.dhs.gov (email).

III. Fiscal Year 2021 Arrangement

Pursuant to 44 CFR 62.23(a), FEMA must publish the Arrangement at least six months prior to the Arrangement becoming effective. The FY 2021 Arrangement provided below is substantially similar to the previous year's Arrangement, but includes the following substantive changes:

1. Moved Article V (Commencement and Termination) to Article II to improve organizational clarity, and renumbered following articles.

2. In Article II.C, WYO companies will be required to notify FEMA of their
