

“Ninestar Respondents”), as well as Mipo America Ltd. (“Mipo America”) and Mipo International, Ltd (collectively, the “Mipo Respondents”). On March 18, 2008, Epson filed a third enforcement complaint against two proposed respondents: Ribbon Tree USA, Inc. (dba Cana-Pacific Ribbons) and Apex Distributing Inc. (collectively, the “Apex Respondents”). On June 23, 2008, the Commission determined that the criteria for institution of enforcement proceedings were satisfied and instituted another formal enforcement proceeding and named the two proposed respondents as the enforcement respondents. On September 18, 2008, the ALJ issued Order No. 37, consolidating the two proceedings.

On April 17, 2009, the ALJ issued his Enforcement Initial Determination (EID) in which he determined that there have been violations of the Commission’s cease and desist orders and consent order and recommended that the Commission impose civil penalties for such violations. The Ninestar Respondents filed a timely petition for review. The Commission considered the EID, the petition for review, the responses thereto, and other relevant portions of the record and determined not to review the EID on June 19, 2009.

The Commission then requested separate briefing concerning the imposition of civil penalties for violation of the cease and desist orders and a consent order. Epson, the Ninestar Respondents, and the Commission investigative attorney filed written submissions and responses thereto.

Based upon its consideration of the EID, the submissions of the parties, and the entire record in this proceeding, the Commission adopts the EID’s analysis concerning civil penalties, except as otherwise noted or supplemented in its order and opinion (to be issued later). However, while the Commission adopts the EID’s recommended penalty with respect to the Mipo Respondents and the Apex Respondents, the Commission has determined to impose a lesser penalty on the Ninestar Respondents.

Accordingly, and subject to final adjudication of any appeal of the same, the Commission has determined to impose a civil penalty in the amount of \$11,110,000 against the Ninestar Respondents, jointly and severally. Against the Mipo Respondents, the Commission has determined to impose a civil penalty in the amount of \$9,700,000 jointly and severally, and the Commission has determined to impose a civil penalty in the amount of \$700,000 jointly and severally against the Apex Respondents.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and section 210.75 of the Commission’s Rules of Practice and Procedure (19 CFR 210.75).

Issued: August 17, 2009.

By order of the Commission.

Marilyn R. Abbott,

Secretary to the Commission.
