#### Pine Needle LNG Company, L.L.C.; Notice of Tariff Filing

August 6, 2002.

Take notice that on August 1, 2002 Pine Needle LNG Company, L.L.C. (Pine Needle) tendered for filing as part of its FERC Gas Tariff, Volume No. 1, Fourth Revised First Revised Sheet No. 4, to become effective September 1, 2002.

Pine Needle states that the tariff sheet submitted in the filing reflects a general rate increase. Pine Needle states that the cost of service proposed in the filing is \$21,074,411, compared to a cost of service of \$20,332,566 underlying Pine Needle's rates found just and reasonable in Docket No. CP96-52, as more fully described in the filing. Pine Needle states that the principal factor supporting the increase in cost of service is an increase in rate of return and related taxes.

Pine Needle further states that the filing reflects the following as related to its pre-filed methods: (1) A proposal to leave unchanged the annual depreciation rate of 2.5% for its operating facilities and (2) proposes an amortization rate of 10% for its in-house developed software—major systems Pine Needle states that copies of the filing are being mailed to each of its affected customers, interested State Commissions, and other interested parties.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's

rules and regulations. All such motions or protests must be filed in accordance with section 154.210 of the Commission's regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the web at <http://www.ferc.gov> using the "RIMS" link, select "Docket#" and follow the instructions (call 202-208-2222 for assistance). #### TransColorado Gas Transmission Company; Notice of Tariff Filing

August 6, 2002.

Take notice that on July 30, 2002, TransColorado Gas Transmission Company (TransColorado) tendered for filing as part of its FERC Gas Tariff, Original Volume No. 1, the following tariff sheets, to be effective September 1, 2002,

Eighth Revised Sheet No. 247  
Third Revised Sheet No. 247A  
Second Revised Sheet No. 247B  
Original Sheet No. 247C

TransColorado is proposing that it be permitted to assess a zero charge for the fuel component of its fuel gas reimbursement percentage (FGRP) and only charge the lost or gained and unaccounted-for gas component of its FGRP for specific backhaul and displacement transportation that it has specified in its revised tariff.

TransColorado states that the backhaul and displacement transportation described in Section 12.9(d) to the General Terms and Conditions of its tariff will require no compression or consumption of fuel for any other purpose on TransColorado's system and

therefore should not be subjected to the fuel component of TransColorado's FGRP.

TransColorado states that a copy of this filing, with the privileged material removed, has been served upon TransColorado's customers, the Colorado Public Utilities Commission and New Mexico Public Utilities Commission.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's rules and regulations. All such motions or protests must be filed in accordance with section 154.210 of the Commission's regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
