

update the description of the System Location for accuracy.

OPM has provided a report of this modified system of records to the Committee on Oversight and Government Reform of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the Senate, and the Office of Management and Budget (OMB), pursuant to 5 U.S.C. 552a(r) and OMB Circular A-108, "Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act," dated December 23, 2016. This modified system will be included in OPM's inventory of records systems.

Office of Personnel Management.

**SYSTEM NAME AND NUMBER:**

General Personnel Records, OPM/GOVT-1.

**SECURITY CLASSIFICATION:**

Unclassified.

**SYSTEM LOCATION:**

Records on current Federal employees are located within the employing agency. Records maintained in paper may also be located at OPM or with personnel officers, or at other designated offices of local installations of the department or agency that employs the individual. When agencies determine that duplicates of these records need to be located in a second office, *e.g.*, an administrative office closer to where the employee actually works, such copies are covered by this system of records. Some agencies have employed the electronic Official Personnel Folder (eOPF) information technology system to store their records electronically. Although stored in eOPF, agencies are still responsible for the maintenance of their records. In addition, certain data elements from the eOPF are collected and maintained in OPM's Enterprise Human Resource Integration (EHRI) system.

Former Federal employees' paper Official Personnel Folders (OPFs) are located at the National Personnel Records Center, National Archives and Records Administration, in Valmeyer, Illinois. Former Federal employees' electronic Official Personnel Folders (eOPF) are located in the eOPF system at OPM.

*Note 1*—The records in this system are records of the OPM and must be provided to those OPM employees who have an official need or use for those records. Therefore, if an employing agency is asked by an OPM employee to

access the records within this system, such a request must be honored.

b. For current Federal employees, OPM has delegated to the employing agency the Privacy Act responsibilities concerning access, amendment, and disclosure of the records within this system notice.
