The Committee for the Implementation of Textile Agreements has determined that this action falls within the foreign affairs exception of the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,
D. Michael Hutchinson,
Acting Chairman, Committee for the
Implementation of Textile Agreements.

BILLING CODE 3510-DR-S

COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS

Duty and Quota Free Imports of Apparel Articles Assembled From Regional and Other Fabric for Beneficiary Sub-Saharan African Countries

September 21, 2001.

AGENCY: Committee for the
Implementation of Textile Agreements
(CITA).

ACTION: Publishing the Second 12-
Month Cap on Duty and Quota Free
Benefits

EFFECTIVE DATE: October 1, 2001.

FOR FURTHER INFORMATION CONTACT:
Philip J. Martello, Director, Trade and
Data Division, Office of Textiles and
Apparel, U.S. Department of Commerce,
(202) 482–3400.

SUPPLEMENTARY INFORMATION:

Authority: Title I, Section 112(b)(3) of the
Trade and Development Act of 2000,
Presidential Proclamation 7350 of October 4,
2000 (65 FR 59321).

Title I of the Trade and Development
Act of 2000 provides for duty and quota-
free treatment for certain textile and
apparel articles imported from
designated beneficiary sub-Saharan
African countries. Section 112(b)(3) of
that Act provides duty and quota-free
treatment for certain apparel articles
assembled in beneficiary sub-Saharan
African countries from fabric formed in
one or more beneficiary countries. More
specifically, this treatment is for apparel
articles wholly assembled in one or
more beneficiary sub-Saharan African
countries from fabric wholly formed in
one or more beneficiary countries from
yarn originating in the U.S. or one or
more beneficiary countries (including
fabrics not formed from yarns, if such
fabrics are classifiable under heading
5602 and 5603 of the Harmonized Tariff
Schedule of the United States and are
wholly formed and cut in one or more
beneficiary country).

Moreover, this preferential treatment
is also available for apparel articles
wholly assembled in one or more lesser-
developed beneficiary sub-Saharan
African countries, regardless of the
country of origin of the fabric used to
make such articles. This preferential
treatment for lesser-developed countries
applies through September 30, 2004.

This preferential tariff treatment is
limited to imports of qualifying apparel
articles in an amount not to exceed a
specified percent of the aggregate square
meter equivalents of all apparel articles
imported into the United States in the
preceding 12-month period for which

data are available. For the purpose of
this notice, the 12-month period for
which data are available is the 12-month
period ended July 31, 2001. In
Presidential Proclamation 7350
(published in the Federal Register on
October 4, 2000, 65 FR 59321), the
President directed CITA to publish the
aggregate quantity of imports allowed
during each 12-month period in the
Federal Register.

For the one-year period, beginning on
October 1, 2001, and extending through
September 30, 2002, the aggregate
quantity of imports eligible for
preferential tariff treatment under these
provisions is 313,303,986 square meters
equivalents. This quantity will be
recalculated for each subsequent year,
under Section 112(b)(3)(A). Apparel
articles entered in excess of this
quantity shall be subject to otherwise
applicable tariffs.

The quantity is calculated using the
aggregate square meter equivalents of all
apparel articles imported into the
United States, derived from the set of
Harmonized Tariff Schedule (HTS) lines
listed in the Annex to the World Trade
Organization Agreement on Textiles and
Clothing (ATC), and the conversion
factors for units of measure into square
meter equivalents used by the United
States in implementing the ATC.

D. Michael Hutchinson,

*Acting Chairman, Committee for the
Implementation of Textile Agreements.*
