SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–485, OMB Control No. 3235–0547]

Proposed Collection; Comment Request: Extension: “Investor Form”

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) that the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Each year the Commission receives several thousand contacts from investors who have complaints or questions on a wide range of investment-related issues. To make it easier for the public to contact the agency electronically, the Commission's Office of Investor Education and Advocacy (“OIEA”) created an electronic form (the Investor Form) that provides drop down options to choose from in order to categorize the investor's complaint or question, and may also provide the investor with automated information about their issue. The Investor Form asks investors to provide information concerning, among other things, their names, how they can be reached, the names of the individuals or entities involved, the nature of their complaint or tip, what documents they can provide, and what, if any, actions they have taken. Use of the Investor Form is voluntary. Absent the forms, the public still has several ways to contact the agency, including telephone, facsimile, letters, and email. Investors can access the Investor Form through the consolidated Investor Complaint and Question web page.

OIEA receives approximately 30,000 contacts each year through the Investor Form. Investors who choose not to use the Investor Form receive the same level of service as those who do. The dual purpose of the form is to make it easier for the public to contact the agency with

complaints, questions, tips, or other feedback and to further streamline the workflow of Commission staff that record, process, and respond to investor contacts.

The Commission uses the information that investors supply on the Investor Form to review and process the contact (which may, in turn, involve responding to questions, processing complaints, or, as appropriate, initiating enforcement investigations), to maintain a record of contacts, to track the volume of investor complaints, and to analyze trends. Use of the Investor Form is voluntary. The Investor Form asks investors to provide information concerning, among other things, their names, how they can be reached, the names of the individuals or entities involved, the nature of their complaint or tip, what documents they can provide, and what, if any, actions they have taken.

The staff of the Commission estimates that the total reporting burden for using the Investor Form is 7,500 hours. The calculation of this estimate depends on the number of investors who use the forms each year and the estimated time it takes to complete the forms: 30,000 respondents × 15 minutes = 7,500 burden hours.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to David Bottom, Chief Information Officer, Securities and Exchange Commission, c/o John R. Pezullo, 100 F St. NE, Washington, DC 20549; or send an email to: PRA_Mailbox@sec.gov.
