

and Federal laws and policies on grants; tracks grantee progress; and reports on the effectiveness of the programs.

Section 70914(a) of BABAA prohibits Direct Component recipients (and subrecipients, as applicable) from using RESTORE Act funds to purchase foreign-sourced iron, steel, manufactured products, or construction materials unless Treasury approves a waiver pursuant to section 70914(b) of BABAA. On January 13, 2023, Treasury received emergency clearance from OMB to update the approved collection and add two new forms for recipients to submit requests to waive the new domestic preference requirements under BABAA. Treasury requested an emergency clearance for the forms to be completed by January 13, 2022, which was the expiration date of Treasury OGCR's six-month general applicability public interest adjustment period waiver and therefore was the effective date of BABAA requirements for RESTORE Act Direct Component program. The Agency was delayed in requesting the clearance from OIRA because the required waiver information that must be collected by agencies for cross-posting waivers to the GSA-managed Made in America Office (MIAO) website was finalized on December 8, 2022. Posting waivers on the centralized waiver transparency website is a requirement for federal agencies to be compliant with the implementation of BABAA. Treasury now seeks clearance through the normal 60-day public comment process for clearance under the Paperwork Reduction Act of the updated information collection as required by 5 CFR 1320.8(d).

Treasury has also made substantive changes to the Multiyear Implementation Plan Narrative Form through a consolidation of application questions to reduce requests for duplicative information and revised the requirements of the Milestones and Measures Application Form, Milestones Report and Status of Performance Report that reduces the burden on the applicant to demonstrate progress made to achieve the scope of work. No other changes to the information collection are proposed by Treasury at this time.

The revised application forms and supplemental information may be obtained on Treasury's RESTORE Act website at <https://home.treasury.gov/policy-issues/financial-markets-financial-institutions-and-fiscal-service/restore-act>.
