Proposed Collection; Comment Request

Upon written request, copies available from: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 17Ad-2(c), (d), and (h); SEC File No. 270-149; OMB Control No. 3235-0130.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

- Rule 17Ad-2(c), (d) and (h) Transfer Agent Turnaround, Processing and Forwarding Requirements

Rule 17Ad-2(c), (d), and (h), 17 CFR 240.17Ad-2(c), (d), and (h), under the Securities Exchange Act of 1934, enumerate the requirements with which transfer agents must comply to inform the Commission or the appropriate regulator of a transfer agent's failure to meet the minimum performance standards set by the Commission rule by filing a notice.

While it is estimated there are 900 transfer agents, approximately ten notices pursuant to 17Ad-2(c), (d), and (h) are filed annually. In view of (a) the readily available nature of most of the information required to be included in the notice (since that information must be compiled and retained pursuant to other Commission rules); (b) the summary fashion in which such information must be presented in the notice (most notices are one page or less in length); and (c) the experience of the staff regarding the notices, the Commission staff estimates that, on the average, most Notices require approximately one-half hour to prepare. The Commission staff estimates that transfer agents spend an average of five hours per year complying with the rule.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information on respondents; and (d) ways to minimize the burden of the collection of information on

respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Kenneth A. Fogash, Acting Associate Executive Director/CIO, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549.

Dated: December 22, 2003.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-48987; File No. SR-CTA/CQ-2003-01]

Consolidated Tape Association; Notice of Filing of the Fifth Substantive Amendment to the Second Restatement of the Consolidated Tape Association Plan and the Third Substantive Amendment to the Restated Consolidated Quotation Plan and Amendment No. 1 Thereto

December 23, 2003.

Pursuant to Rule 11Aa3-2¹ under the Securities Exchange Act of 1934 ("Act"), notice is hereby given that on November 28, 2003, the Consolidated Tape Association ("CTA") Plan and Consolidated Quotation ("CQ") Plan Participants ("Participants")² filed with the Securities and Exchange Commission ("SEC" or "Commission") a proposal to amend the CTA and CQ Plans (collectively, the "Plans"). The proposal represents the 5th substantive amendment made to the Second Restatement of the CTA Plan and the 3rd substantive amendment to the Restated CQ Plan, and reflects changes unanimously adopted by the Participants. The proposed amendments would delete the provisions of the Plans that exempt any Participant in the Plans from paying market data fees for the receipt of data on its trading floor for regulation or surveillance or for other specifically approved purposes

¹ 17 CFR 240.11Aa3-2.

² Each Participant executed the proposed amendments. The Participants are the American Stock Exchange LLC; Boston Stock Exchange, Inc.; Chicago Board Options Exchange, Inc.; Chicago Stock Exchange, Inc.; Cincinnati Stock Exchange, Inc.; National Association of Securities Dealers, Inc. ("NASD"); New York Stock Exchange, Inc. ("NYSE"); Pacific Exchange, Inc.; and Philadelphia Stock Exchange, Inc.

("Participant Fee Exemptions"). On December 23, 2003, the Participants submitted Amendment No. 1 to the proposed amendments.³ The Commission is publishing this notice to solicit comments from interested persons on the proposed amendments to the Plans.

I. Description and Purpose of the Amendments

A. Rule 11Aa3-2⁴

Currently, the Plans specify that each Participant is exempt from certain market data charges (other than access fees) if it is in compliance with the requisite market data contract. According to the Participant Fee Exemptions, the market data contract must require the Participant (1) to receive market data solely at premises that it occupies solely or on its "trading floor or trading floors" (as that term is generally understood), and (2) to use the data solely for regulatory, surveillance and other approved purposes.

The Participants propose to amend the Plans to require each Participant to pay the same fees for its receipt and use of market data as other market participants pay, regardless of whether the Participant receives the data on its trading floor or elsewhere or uses the data for surveillance or other purposes.

The Participants believe that eliminating the Participant Fee Exemptions will eliminate disputes that have arisen among the Participants regarding what constitutes a "trading floor" (as that term is generally understood) and will eliminate a perceived competitive advantage that the Participant Fee Exemptions give Participant markets over non-exchange markets (such as electronic communications networks and other alternative trading systems), over NASD market makers and, in the case of Participants that trade options, over non-Participant options markets.

The Participants believe that the filing of the proposed amendments is in fulfillment of the national market system objectives regarding the dissemination of market information as anticipated by sections 11A(a)(1)(C),⁵ 11A(a)(1)(D)⁶ and 11A(a)(3)(B)⁷ of the Act.

³ See letter to Jonathan G. Katz, Secretary, Commission, from Thomas E. Haley, Chairman, CTA, dated December 22, 2003 ("Amendment No. 1"). Amendment No. 1 makes a technical correction to the proposed amendments.
