AGENCY: Office of the Assistant Secretary for Policy Development and Research, HUD.

ACTION: Notice of Fiscal Year (FY) 2022 Annual Adjustment Factors (AAFs).

SUMMARY: The United States Housing Act of 1937 requires that certain assistance contracts signed by owners participating in the Department's Section 8 housing assistance payment programs provide annual adjustments to monthly rentals for units covered by the contracts. The AAFs are applied at the anniversary of Housing Assistance Payment (HAP) contracts for which rents are to be adjusted using the AAF for those calendar months commencing after the effective date of this notice. This notice announces the FY2022 AAFs for adjustment of covered contract rents.

DATES: February 16, 2022.

SUPPLEMENTARY INFORMATION: Tables showing AAFs will be available electronically from the HUD data information page at <https://www.huduser.gov/portal/datasets/aaf.html>.

Background: This notice announces FY 2022 AAFs for adjustment of contract rents based on a formula using residential rent and utility cost changes from the most recent annual Bureau of Labor Statistics (BLS) Consumer Price Index (CPI) survey. AAFs are distinct from, and do not apply to the same properties as, Operating Cost Adjustment Factors (OCAFs). OCAFs are annual factors used to adjust rents for project-based rental assistance contracts issued under Section 8 of the United States Housing Act of 1937 and renewed under section 515 or section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (MAHRA). HUD published OCAFs for 2022 in the **Federal Register** on October 4, 2021 (86 FR 54707). The AAFs are also distinct from Renewal Funding Inflation Factors which help determine renewal funding for public housing agencies operating the Housing Choice Voucher program. A separate **Federal Register** notice, to be published following the passage of FY 2022 HUD appropriations, will contain the 2022 Renewal Funding Inflation Factors.

I. Applying AAFs to Various Section 8 Programs

AAFs established by this notice are used to adjust contract rents for units assisted in certain Section 8 housing assistance payment programs during the initial (i.e., pre-renewal) term of the HAP contract. There are two categories of Section 8 programs that use the AAFs:

Category 1: The Section 8 New Construction, Substantial Rehabilitation, and Moderate Rehabilitation programs; and

Category 2: The Section 8 Loan Management (LM) and Property Disposition (PD) programs.

Each Section 8 program category uses the AAFs differently. The specific application of the AAFs is determined by the law, the HAP contract, and appropriate program regulations or requirements.

AAFs are not used in the following cases:

Renewal Rents. AAFs are not used to determine renewal rents after expiration of the original Section 8 HAP contract (either for projects where the Section 8 HAP contract is renewed under a restructuring plan adopted under 24 CFR part 401; or renewed without restructuring under 24 CFR part 402). In
