

support and the proposed partial revocation language. No party submitted comments. Accordingly, we find that the domestic industry has expressed no opposition with respect to the proposed revocation, in part, of the *Orders*.

In light of the Alliance's statement of lack of interest in maintaining the *Orders* with respect to certain small, low-wattage, off-grid CSPV cells described by Lutron, and in the absence of any other interested party comments addressing the issue of domestic industry support, we preliminarily conclude that producers accounting for substantially all of the production of the domestic like product to which the *Orders* pertain lack interest in the relief provided by the *Orders* with respect to certain small, low-wattage, off-grid CSPV cells that are the subject of Lutron's CCR request. Thus, we preliminarily determine that changed circumstances warrant revocation of the *Orders*, in part, with respect to such cells. Accordingly, we are notifying the public of our intent to revoke the *Orders*, in part, with respect to certain small, low-wattage, off-grid CSPV cells described in the "Scope of the CCRs" section above.

If we make a final determination to revoke the *Orders* in part, then Commerce will apply this determination to each order as follows. Because we have completed administrative reviews of the *Orders*, the partial revocation will be retroactively applied to unliquidated entries of merchandise subject to the CCRs that were entered or withdrawn from warehouse, for consumption, on or after the day following the last day of the period covered by the most recently completed administrative reviews of the *Orders*, and which are not covered by automatic liquidation.

Public Comment

In accordance with 19 CFR 351.309(c)(1)(ii), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in case briefs, may be filed no later than five days after the case briefs, in accordance with 19 CFR 351.309(d).¹³

Interested parties who submit case or rebuttal briefs must submit: (1) a table of contents listing each issue discussed in the brief; and (2) a table of authorities.¹⁴ As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior

proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs. Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS, within 30 days of publication of this notice. Requests should contain the following information: (1) the party's name, address, and telephone number; (2) the number of participants and whether any participant is a foreign national; and (3) a list of issues to be discussed. If a request for a hearing is made, Commerce will inform parties of the date and time for the hearing.

All submissions are to be filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the day it is due.¹⁵ Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁶

Final Results of the CCRs

Commerce will issue the final results of these CCRs, which will include its analysis of any written comments, no later than 270 days after the date on which these reviews were initiated.¹⁷ If, in the final results of these reviews, Commerce continues to determine that changed circumstances warrant the revocation of the *Orders*, in part, we will instruct U.S. Customs and Border Protection (CBP) to liquidate without regard to ADs or CVDs, and to refund any estimated ADs and CVDs deposited on all unliquidated entries of the merchandise covered by the revocation that are not covered by the final results

of an administrative review or an automatic liquidation instruction to CBP. The current requirement for cash deposits of estimated ADs and CVDs on all entries of subject merchandise will continue unless they are modified pursuant to the final results of these changed CCRs.

These preliminary results of these reviews and this notice are published in accordance with sections 751(b) and 777(i) of the Act, and 19 CFR 351.216, 19 CFR 351.221(c)(3), and 19 CFR 351.222.

Dated: April 16, 2025.

Christopher Abbott,

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.
