

Burlington, Mamiye Brothers, and LinQi for lack of good cause. Order No. 30 further grants Crocs' motion to partially terminate the investigation with respect to Crocsky, Ink Tee, and Hobibear, but denies its motion to amend the complaint to identify these three entities as "unknown manufacturers." Order No. 30 further states that a four-month extension of the procedural schedule, including the hearing schedule and target date, is necessary to avoid prejudicing the newly added respondents.

On October 22, 2021, the presiding CALJ issued the subject Order No. 31, extending the target date by four months to May 9, 2023. Order No. 31 also reschedules the evidentiary hearing to September 12–16, 2022, and the due date for issuance of the final initial determination on violation to January 9, 2023.

No party filed a petition for review of the subject ID.

The Commission has determined not to review Order No. 30 or Order No. 31. Huizhou, Orly, Eastar Footwear, KGS, Boaonda, Anao, Wanjiixin Industrial Developing, and Walmart are hereby added as respondents, and the investigation is partially terminated with respect to Crocsky, Ink Tee, and Hobibear. The target date is hereby extended to May 9, 2023.

The Commission vote for this determination took place on November 16, 2021.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: November 17, 2021.

Lisa Barton,

Secretary to the Commission.

The investigation is terminated.

Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: On June 29, 2021, the Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 ("section 337") based on a complaint filed by Neodron Ltd. of Dublin, Ireland ("Neodron"). See 86 FR 34277–78. The complaint alleges a violation of section 337 based upon the importation into the United States, sale for importation, or sale after importation into the United States of certain capacitive touch sensing systems, capacitive touch sensing controllers, and microcontrollers with capacitive touch sensing functionality, and components thereof by reason of infringement of certain claims of U.S.

Patent Nos. 8,432,173; 8,749,251; 9,372,580; and 9,024,790. *Id.* The complaint further alleges that a domestic industry exists. *Id.* The notice of investigation names seven respondents, including Renesas Electronics Corporation of Tokyo, Japan and Renesas Electronics America Inc. of Milpitas, California (collectively, "Renesas Respondents"); Renesas Technology America, Inc. of Milpitas, California; Cypress Semiconductor Corp. of San Jose, California ("Cypress"); ST Microelectronics N.V., STMicroelectronics, Inc., and STMicroelectronics (North America) Holding, Inc. all of Geneva, Switzerland (collectively, "ST"). See *id.* The Office of Unfair Import Investigations ("OUII") is also named as a party. *Id.*

Renesas Technology America, Inc. was previously terminated from the investigation based on partial withdrawal of the complaint. Order No. 9 (Aug. 12, 2021), *unreviewed by* Comm'n Notice (Sept. 9, 2021).

On October 15, 2021, Neodron and the Renesas Respondents, Cypress, and ST filed an unopposed joint motion to terminate the investigation based on two settlement agreements. On October 25, 2021, OUII filed a response in support of the joint motion.

On October 27, 2021, the presiding ALJ issued the two subject IDs granting the joint motion to terminate the investigation. See Order No. 13 (Oct. 27, 2021); Order No. 14 (Oct. 27, 2021). The ALJ issued separate IDs to address the parties' limited service requests. The subject IDs find that the joint motion complies with Commission Rule 210.21(b)(1) (19 CFR 210.21(b)) and that there are no extraordinary circumstances that would warrant denying the motion. The IDs also find that termination of the investigation based on settlement would not be contrary to the public interest.

No party petitioned for review of the subject IDs.

The Commission has determined not to review the subject IDs (Order Nos. 13 and 14). The investigation is terminated.

The Commission vote for this determination took place on November 16, 2021.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: November 16, 2021.

[NARA–2022–010]

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of proposed extension request.

SUMMARY: We are proposing to request an extension from the Office of Management and Budget (OMB) of three currently approved information collections. People use the first information collection to request permission to film, photograph, or videotape at a NARA facility for news purposes. People use the second and third information collections to request permission to use NARA facilities for events in the Washington, DC, area, at a Federal records center, or at a Presidential library. Previously, we have handled each of these last two items as separate information collections, but we have recently revised the underlying regulation and the processes for requesting use of different kinds of NARA facilities, so we are proposing to combine these two into one ICR. All three collections are based on requirements in the same regulation. We invite you to comment on these proposed information collections pursuant to the Paperwork Reduction Act of 1995.

DATES: We must receive written comments on or before January 21, 2022.

ADDRESSES: Send comments to Paperwork Reduction Act Comments (MP), Room 4100; National Archives and Records Administration; 8601 Adelphi Road; College Park, MD 20740–6001, or email them to tamee.fechhelm@nara.gov.

FOR FURTHER INFORMATION CONTACT: Tamee Fechhelm, Paperwork Reduction Act Officer, by email at tamee.fechhelm@nara.gov or by telephone at 301.837.1694 with requests for additional information or copies of the proposed information collection and supporting statement.

SUPPLEMENTARY INFORMATION: Pursuant to the Paperwork Reduction Act of 1995 (Public Law 104–13), we invite the public and other Federal agencies to comment on proposed information collections. If you have comments or suggestions, they should address one or more of the following points: (a) Whether the proposed information collection is necessary for NARA to properly perform its functions; (b) our estimate of the burden of the proposed information collection and its accuracy; (c) ways we could enhance the quality, utility, and clarity of the information we collect; (d) ways we could minimize the burden on respondents of collecting the information, including through information technology; and (e) whether the collection affects small businesses.

We will summarize any comments you submit and include the summary in our request for OMB approval. All comments will become a matter of public record.
