Indoor Residential Insecticide Product Label Statements; Notice of Availability

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces the availability of a draft Pesticide Registration (PR) Notice that is part of EPA's continuing effort to reduce unnecessary exposures of human and pets to insecticides used in residential settings and to improve the safety of their use. The draft PR Notice is a guidance document, the intent of which is to clarify certain portions of residential insecticide product labels. In addition to helping reduce unnecessary exposure, the proposed label modification will help provide the Agency with additional methods of estimating residential exposure to pesticides as is mandated by the Federal Food, Drug and Cosmetic Act (FFDCA) as amended by the Food Quality Protection Act (FQPA), August 3, 1996. Please note that the guidance in the draft PR Notice should not be viewed as a substitution for the policies required when completing residential risk assessments.

DATES: Comments, identified by docket control number OPP-00629, must be received on or before May 30, 2000.

ADDRESSES: Comments may be submitted by mail, electronically, or in person. Please follow the detailed instructions for each method as provided in Unit I. of the

SUPPLEMENTARY INFORMATION. To ensure proper receipt by EPA, it is imperative that you identify docket control number OPP-00629 in the subject line on the first page of your response.

Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR part 2. In addition to one complete version of the comment that includes any information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public version of the official record. Information not marked confidential will be included in the public version of the official record without prior notice. If you have any questions about CBI or the procedures for claiming CBI, please consult the person identified

under FOR FURTHER INFORMATION CONTACT.**E. What Should I Consider as I Prepare My Comments for EPA?**

You may find the following suggestions helpful for preparing your comments:

1. Explain your views as clearly as possible.
2. Describe any assumptions that you used.
3. Provide copies of any technical information and/or data you used that support your views.
4. If you estimate potential burden or costs, explain how you arrived at the estimate that you provide.
5. Provide specific examples to illustrate your concerns.
6. Offer alternative ways to improve the rule or collection activity.
7. Make sure to submit your comments by the deadline in this notice.
8. To ensure proper receipt by EPA, be sure to identify the docket control number assigned to this action in the subject line on the first page of your response. You may also provide the name, date, and **Federal Register** citation.

II. What Action is the Agency Taking?

The Agency is providing a draft guidance document, for public comment, proposed for use by pesticide registrants so that labels for residential insecticide products may be modified to help reduce unnecessary exposure, and to help provide the Agency with additional means with which to assess human and pet exposure to residential insecticide products.
