SMALL BUSINESS ADMINISTRATION

Reporting and Recordkeeping Requirements Under OMB Review

AGENCY: Small Business Administration.

ACTION: 30-Day notice.

SUMMARY: The Small Business Administration (SBA) is publishing this notice to comply with requirements of the Paperwork Reduction Act (PRA) requires agencies to submit proposed reporting and recordkeeping requirements to OMB for review and approval, and to publish a notice in the **Federal Register** notifying the public that the agency has made such a

submission. This notice also allows an additional 30 days for public comments.

DATES: Submit comments on or before June 3, 2020.

ADDRESSES: Comments should refer to the information collection by name and/or OMB Control Number and should be sent to: *Agency Clearance Officer*, Curtis Rich, Small Business Administration, 409 3rd Street SW, 5th Floor, Washington, DC 20416; and *SBA Desk Officer*, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT:

Curtis Rich, Agency Clearance Officer, (202) 205–7030 *curtis.rich@sba.gov*.

Copies: A copy of the Form OMB 83–1, supporting statement, and other documents submitted to OMB for review may be obtained from the Agency Clearance Officer.

SUPPLEMENTARY INFORMATION: This collection is essential to the Agency’s mission because if SBA designates an area as a Governor-designated covered area, based on the information provided by the State Governor, additional small businesses may become eligible for certification as HUBZone small business concerns, which in turn will provide them with more contracting opportunities. These additional contracting opportunities create incentives for individuals to start small businesses and allow existing small businesses to grow. SBA has taken all practicable steps to consult with interested agencies and members of the public to minimize the burden of this information collection. SBA intends to make available on its website a list of the areas within each State that meet the statutory definition of “covered area” according to the most recent Bureau of the Census data. This will minimize the burden on State governments by eliminating the need to gather this data and do the necessary analysis to determine which areas may meet the definition of “covered area.”

Finally, pursuant to 5 CFR 1320.13(d), SBA also requests a waiver from the requirement to publish a 60-day notice in the **Federal Register** requesting comments on this information collection. SBA will publish the required notice as part of the standard submission process before the emergency approval expires.
