

(d) *Enforcement Period.* This section will be enforced for the duration of each event indicated in the table above. If the event is cancelled due to inclement weather, this section is in effect for the day following the scheduled time listed in the table above or as indicated in the Local Notice to Mariners. Notification of events held on a rain date will be made by Broadcast Notice to Mariners.

(e) *Regulations.* (1) The general regulations contained in 33 CFR 165.23 apply. During the enforcement period, entry into, transiting through, remaining, mooring or anchoring within these safety zones is prohibited unless authorized by the Captain of the Port or his designated representatives.

(2) These temporary safety zones are closed to all vessel traffic, except as may be permitted by the Captain of the Port or his designated representatives. Vessel operators given permission to enter or operate in the safety zones must comply with all directions given to them by the Captain of the Port or his designated representatives. Vessels that are granted permission to enter or remain within a safety zone may be required to be at anchor or moored to a waterfront facility such that the vessel's location will not interfere with the progress of the event. At all times when a vessel has been granted permission to enter within a safety zone, it shall endeavor to maintain at least 50 yards distance from any event participant unless otherwise directed.

(3) The "designated representative" is any Coast Guard commissioned, warrant or petty officer who has been designated by the Captain of the Port to act on his behalf. The on-scene representative may be on a Coast Guard vessel, a state or local law enforcement vessel, or other designated craft, or may be on shore and will communicate with vessels via VHF-FM radio or loudhailer. In addition, members of the Coast Guard Auxiliary may be present to inform vessel operators of this regulation.

(4) Vessel operators desiring to enter or operate within the safety zones shall request permission to do so by contacting the Captain of the Port Sector Northern New England at 207-767-0303, or via VHF Channel 16.

(5) The Captain of the Port or his designated representative may direct the delay, cancellation, or relocation of the specific area to be regulated within the generally described locations listed in the EVENTS TABLE above to ensure safety and compliance with environmental laws. Such changes in implementation of the safety zones may be required as a result of factors that could affect their associated marine events such as weather, vessel traffic

density, spectator activities, participant behavior or potential environmental impacts.

#### **Nonduplication; Pension, Compensation, and Dependency and Indemnity Compensation; Correction**

**AGENCY:** Department of Veterans Affairs.

**ACTION:** Correcting amendment.

**SUMMARY:** This document corrects the Department of Veterans Affairs (VA) regulation that governs nonduplication of the payment of benefits to the child of a veteran. This correction is required in order to amend a cross reference in the regulation. No substantive change to the content of the regulations is being made by this correcting amendment.

**DATES:** *Effective Date:* June 8, 2010.

**FOR FURTHER INFORMATION CONTACT:** Tracy Wang, Office of Regulation Policy and Management (02REG), Department of Veterans Affairs, 810 Vermont Ave., NW., Washington, DC 20420, (202) 461-4936.

**SUPPLEMENTARY INFORMATION:** VA published a final rule in the **Federal Register** on September 30, 1997, at 62 FR 51274, amending 38 CFR 3.503, by redesignating paragraphs (a) through (j) as paragraphs (a)(1) through (a)(10), respectively. Therefore, § 3.503(h) became § 3.503(a)(8). However, VA neglected to amend the cross reference to § 3.503(h) in 38 CFR 21.3023 to reflect this change. This document corrects this error by removing "See § 3.503(h)" and adding the correct citation in its place, "See § 3.503(a)(8)".
