

Twelfth Amendment to the LULD Plan and the Exchange's Trading Halt Auction Filing. Until such time as these proposed changes have been approved and operative, the price collar thresholds for Trading Halt Auctions would continue to be aligned with the clearly erroneous execution guidelines and therefore continuing with these price collar thresholds would reduce the potential for a Trading Halt Auction to be a clearly erroneous execution. In addition, the Exchange believes that extending the Exchange's interim measure pending Commission approval of the Twelfth Amendment to the LULD Plan and the Trading Halt Auction Filing would be consistent with the protection of investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed change is not designed to address any competitive issue but rather to provide for the interim price collar thresholds for Trading Halt Auctions on the Exchange to remain in effect until the Trading Halt Auction Filing is approved and operative.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁴ and Rule 19b-4(f)(6) thereunder.¹⁵

At any time within 60 days of the filing of the proposed rule change, the

Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

SURFACE TRANSPORTATION BOARD

60-Day Notice of Intent To Seek Approval of an Existing Collection in Use Without an OMB Control Number: Dispute Resolution Procedures Under the Fixing America's Surface Transportation Act of 2015

AGENCY: Surface Transportation Board.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995 (PRA), the Surface Transportation Board (STB or Board) gives notice that it is requesting from the Office of Management and Budget (OMB) approval of a new collection to implement a directive of the Fixing America's Surface Transportation Act of 2015, FAST Act). Title XI of the FAST Act, entitled "Passenger Rail Reform and Investment Act of 2015," gives the Board jurisdiction to resolve cost allocation and access disputes between National Railroad Passenger Corporation (Amtrak), the states, and potential non-Amtrak operators of intercity passenger rail service. The FAST Act directs the Board to establish procedures for the resolution of these disputes, "which may include the provision of professional mediation services." The Board adopted final rules to implement these procedures in *Dispute Resolution Procedures Under the Fixing America's Surface Transportation Act of 2015*, EP 734 (STB served Nov. 29, 2016). Due to a technical omission in the notice of proposed rulemaking in EP 734 under the PRA, the Board is seeking OMB approval for this collection in this notice.

DATES: Comments on this information collection should be submitted by March 6, 2017.

ADDRESSES: Direct all comments to Chris Oehrle, PRA Officer, Surface
