BILLING CODE 6450-01-P

FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-0496; FR ID 43963]

Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: Whether the proposed collection of

information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before October 25, 2021. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicole Ongele, FCC, via email PRA@fcc.gov and to Nicole.Ongele@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Nicole Ongele at (202) 418-2991.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0496.

Title: ARMIS Operating Data Report.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities.

Number of Respondents and Responses: 49 respondents; 49 responses.

Estimated Time per Response: 8 hours.

Frequency of Response: Annual reporting requirement.

Obligation to Respond: Mandatory. Statutory authority for this information collection is contained in 47 U.S.C. Sections 219 and 220 of the Communications Act of 1934, as amended.

Total Annual Burden: 392 hours.

Total Annual Cost: No cost.

Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: Ordinarily questions of a sensitive nature are not involved in the ARMIS Report 43-08. The Commission

contends that areas in which detailed information is required are fully subject to regulation and the issue of data being regarded as sensitive will arise in special circumstances only. In such circumstances, respondents may request materials or information submitted to the Commission be withheld from public inspection under 47 CFR 0.459 of the Commission's rules.

Needs and Uses: The information contained in FCC Report 43-08 has helped the Commission fulfill its regulatory responsibilities. Automated reporting of these data greatly enhances the Commission's ability to process and analyze the extensive amounts of data provided in the reports. Automating and organizing data submitted to the Commission facilitate the timely and efficient analysis of revenue requirements, rates of return and price caps, and provide an improved basis for auditing and other oversight functions. Automated reporting also enhances the Commission's ability to quantify the effects of policy proposals. The Commission has granted all carriers forbearance from many of the requirements of ARMIS 43-08 conditioned on approval of a data retention compliance plan and continued submission of certain ARMIS 43-08 data related to access lines in service to customers.

Federal Communications Commission.

Katura Jackson,

Federal Register Liaison, Office of the Secretary.
