Title of Proposal: The Impact of Housing and Services Interventions on Homeless Families.

OMB Control Number: Pending.

Description of the need for the information and proposed use: The Participant Follow-up Survey Instruments, the Participation Agreement, and the Key Informant Interviews are necessary to conduct the study, The Impact of Housing and Services Interventions on Homeless Families.

The Senate Report 109-109 for the FY 2006 Transportation, Treasury, the Judiciary, Housing and Urban

Development and Related Agencies Appropriations Bill directed the U.S. Department of Housing and Urban Development (HUD) to “undertake research to ascertain the impact of various service and housing interventions in ending homelessness for families.” In response to this directive, HUD awarded an Indefinite Quantity Contract (IQC) to Abt Associates, Inc. in September 2008 to conduct a study entitled *The Impact of Housing and Services Interventions on Homeless Families*. The study will compare several combinations of

housing assistance and services in a multi-site experiment, to determine which interventions work best to promote housing stability, family preservation, child well-being, adult well-being, and self-sufficiency. The study has begun enrolling families and administering the baseline survey. The follow-up survey enables collection of data on the outcomes of interest from families who have participated in the study; the survey will permit the research team to track participants and measure the outcomes of participants 18 months after assignment to one of the

study’s interventions. Interviews with key informants will enable the study team to collect cost information so that it is possible to assess the costs of the interventions and services provided to homeless families.

Members of affected public:
Households.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response:

ESTIMATED RESPONDENT BURDEN HOURS AND COSTS
