### Notice of Public Hearing and Extension of Public Comment Period of Draft National Pollutant Discharge Elimination System (NPDES) General Permits for Small Municipal Separate Storm Sewer Systems (MS4)

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice of Public Hearing and Extension of Public Comment Period of Draft NPDES General Permits.

**SUMMARY:** The Director of the Office of Ecosystem Protection, Environmental Protection Agency—Region 1 (EPA), issued a Notice of Availability of Draft NPDES general permits for discharges from small MS4s to certain waters of the Commonwealth of Massachusetts on November 4, 2010. The draft general permits are the Draft Small MS4 General Permits for Massachusetts Interstate, Merrimack, and South Coastal Watersheds. These three general permits are for the discharge of stormwater from Small MS4s to the waters in these watersheds. The November 4, 2010 notice included information on a public hearing. The notice did not meet the time frames required by 40 CFR 124.10.

Therefore, EPA has rescheduled the hearing and extended the comment permit of the draft permits. Throughout this documents the terms “this permit” and “the permit” will refer to all three general permits.

Information on the draft permits, appendices and fact sheet is available at: [http://www.epa.gov/ne/npdes/stormwater/mimsc\\_sms4.html](http://www.epa.gov/ne/npdes/stormwater/mimsc_sms4.html).

The draft permit is based on an administrative record available for public review at EPA—Region 1, Office of Ecosystem Protection, 5 Post Office Square—Suite 100, Boston, Massachusetts 02109–3912. A reasonable fee may be charged for copying requests. The November 4, 2010 Notice of Availability sets forth principal facts and the significant factual, legal, and policy questions considered in the development of the draft permit.

**Public Meeting Information:** EPA—Region 1 will hold two public meetings to provide information about the draft general permit and its requirements.
