

issues and on approaches that might be considered for addressing the issues.

II. Criteria for Voting Members

Members and the Chair are selected by the Commissioner or designee from among individuals knowledgeable in the fields of physical sciences, biological and life science, food science, risk assessment, nutrition, food technology, molecular biology, and other relevant scientific and technical disciplines.

Members will be invited to serve for terms of up to 4 years. The Committee consists of 17 standing members; of that 15 are voting members, of whom 2 are technically qualified members identified with consumer interest. In addition to the voting members the Committee has 2 nonvoting members who are identified with industry interests.

III. Nomination Procedures

Any interested person may nominate one or more qualified individuals for membership on the advisory committee. Self-nominations are also accepted. Nominations must include a current, complete résumé or curriculum vitae for each nominee, including current business address and/or home address, telephone number, and email address if available. Nominations must also specify the advisory committee for which the nominee recommended. Nominations must also acknowledge that the nominee is aware of the nomination unless self-nominated. FDA will ask potential candidates to provide detailed information concerning such matters related to financial holdings, employment, and research grants and/or contracts to permit evaluation of possible sources of conflicts of interest.

This notice is issued under the Federal Advisory Committee Act (5 U.S.C. app. 2) and 21 CFR part 14, relating to advisory committees.

Dated: December 20, 2011.
