Steel Grating From the People's Republic of China: Notice of Correction to the Notice of a Court Decision Not in Harmony With the Final Determination in the Less-Than-Fair-Value Investigation and Notice of Amended Final Determination Pursuant to Court Decision

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* April 19, 2014.

FOR FURTHER INFORMATION CONTACT:

Brandon Farlander and Thomas Martin, Office 4, Antidumping and Countervailing Duty Operations, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0182 and (202) 482-3936.

SUPPLEMENTARY INFORMATION: On July 25, 2014, the Department of Commerce ("the Department") published the notice of court decision not in harmony with the final determination in the less-than-fair-value investigation of steel grating from the People's Republic of China and notice of amended final determination pursuant to court decision.¹ Subsequent to the publication of the *Amended Final and Timken Notice*, the Department discovered an inadvertent error in the **Federal Register** notice.

Specifically, the *Amended Final and Timken Notice* incorrectly reversed the names for Ningbo Haitian International Co., Ltd. ("Ningbo Haitian") and Ningbo Lihong Steel Grating Co., Ltd. ("Ningbo Lihong") in the "Producer" and "Exporter" columns in the rate table printed in the *Amended Final and Timken Notice*.² As a result of this error, the *Amended Final and Timken Notice* incorrectly indicated that a combination rate was applicable to Ningbo Haitian as the producer and Ningbo Lihong as the exporter. The notice should have indicated that Ningbo Haitian was the exporter and Ningbo Lihong was the producer. The revised rate table should read as follows:

Producer	Exporter	Weighted-average dumping margin (percent)
Ningbo Lihong Steel Grating Co., Ltd	Ningbo Haitian International Co., Ltd	38.16
Yantai Xinke Steel Structure Co., Ltd	Yantai Xinke Steel Structure Co., Ltd	38.16
Ningbo Jiulong Machinery Manufacturing Co., Ltd	Ningbo Jiulong Machinery Manufacturing Co., Ltd	145.18

Notification to Interested Parties

This notice is issued and published in accordance with sections 516A(e)(1) and 777(i)(1) of the Tariff Act of 1930, as amended.

Dated: August 8, 2014.

Paul Piquado,

Assistant Secretary for Enforcement and Compliance.

Requests for additional information or copies of the information collection instrument and instructions should be directed to Katie Davis, (727) 824-5399 or Katie.Davis@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

This request is for extension of a current information collection.

Under the provisions of the Magnuson-Stevens Fishery

Conservation and Management Act (16 U.S.C. 1801 et seq.), the National Oceanic and Atmospheric Administration's (NOAA) National Marine Fisheries Service (NMFS) is responsible for management of the nation's marine fisheries. In addition, NMFS must comply with the Atlantic Tunas Convention Act of 1975 (16 U.S.C. 971 et seq.), which implements the International Commission for the Conservation of Atlantic Tunas (ICCAT) recommendations.

NMFS collects information via vessel logbooks to monitor the U.S. catch of Atlantic swordfish, sharks, billfish, and tunas in relation to the quotas, thereby ensuring that the United States complies with its domestic and international obligations. HMS logbooks are verified using observer data that is collected under OMB Control No. 0648-0593 (Observer Programs' Information That Can Be Gathered Only Through Questions). In addition to HMS fisheries, the HMS logbook is also used to report catches of dolphin and wahoo by commercial and charter/headboat fisheries. The HMS logbooks collect data on incidentally-caught species,
