SUPPLEMENTARY INFORMATION: The following is a summary of the application. The complete application may be obtained for a fee at the SEC's Public Reference Branch.

Applicants' Representations

1. APLP is an investment adviser registered under the Advisers Act. The Trust is an open-end management investment company registered under the Investment Company Act of 1940. The Trust was organized by Hirtle, Callaghan & Co. ("Hirtle Callaghan"), an investment adviser registered under the Advisers Act. The Trust is a series company that currently consists of several separate investment portfolios. Shares of the Trust are available only to clients of Hirtle Callaghan or clients of financial intermediaries, such as investment advisers, that are acting in a fiduciary capacity with investment discretion and that have established relationships with Hirtle Callaghan.

2. Hirtle Callaghan serves as a "manager of managers" for the Trust. Pursuant to its agreement with the Trust, Hirtle Callaghan is not authorized to exercise investment discretion with respect to the Trust's assets. Hirtle Callaghan is responsible for monitoring the overall investment performance of the Trust's portfolios and the performance of the portfolio managers that manage the Trust's portfolios. Hirtle Callaghan may also from time to time recommend that the Trust's Board of Trustee (the "Board") retain additional

portfolio managers or terminate existing portfolio managers. Authority to select new portfolio managers and reallocate assets among the portfolio managers, however, resides with the Trust's Board.

3. APLP and Capital Guardian Trust Company ("Cap Guardian") provide portfolio management services to the International Equity Portfolio ("Portfolio"), one series of the Trust. Pursuant to a portfolio management agreement, APLP provides portfolio management services for a portion of the Portfolio's assets that the Trust's Board allocates to APLP ("APLP Account"). Each of APLP and Cap Guardian manages a separate portion of the Portfolio, each acting as though it were advising a separate investment company. Percentage limitations on investments are applied to each portion of the Portfolio without regard to investments in the other adviser's portion of the Portfolio. Each adviser receives information about portfolio positions from the Trust or its custodian that generally contains only information about the portion of the Portfolio assigned to it and not about the positions held by the Portfolio as a whole. Each adviser generally is responsible for preparing reports to the Trust and the Board only with respect to its discrete portion of the Portfolio.

4. APLP is not affiliated with Hirtle Callaghan, the Trust, or Cap Guardian (except to the extent such affiliation may exist because APLP serves as an investment adviser to the Portfolio). APLP's services to the Trust are limited to investment selection for the APLP Account, placement of transactions for execution and certain compliance functions directly related to such services. APLP does not act as a distributor or sponsor for the Trust or Portfolio. No member of the Trust's Board is affiliated with APLP. APLP currently receives a fee at the annual rate of 0.40 percent of the average daily net assets of the APLP Account, payable monthly.

5. On June 8, 1999 the Trust's Board approved an amendment to the portfolio management agreement between APLP and the Trust under which the existing fee structure would be replaced with a fee structure that includes a performance component. On July 23, 1999 the shareholders of the Portfolio approved the amendment to the agreement.¹

¹ The proxy statement associated with this shareholder meeting specifically informed shareholders that, if approved by the shareholders, the proposed fee would not become effective until receipt of assurances from the SEC that calculating the fee as proposed would not be viewed as
