The purpose of the planned roundtables is to seek additional input from the public in order for the Task Force to have a complete and thorough record upon which to make recommendations.

Each of the scheduled roundtables will be divided into separate, consecutive, sessions addressing the following topics raised in the Green Paper: (1) The legal framework for the creation of remixes; (2) the relevance and scope of the first sale doctrine in the digital environment; and (3) the appropriate calibration of statutory damages in the contexts of (i) individual file sharers and (ii) secondary liability for large-scale infringement. Time will be reserved at the end of each session within each roundtable for observers and viewers to comment upon the topic discussed during the session. While the subject matter will be consistent across each of the four roundtables, the allotted time for each session may vary to accommodate the specific interests of the participants at each location. In order to maximize participation, no formal opening statements or presentations are expected.

The roundtables will focus on (1) the questions set out in the October 3rd **Federal Register** Notice, 78 FR at 61338–39, (2) the issues raised in the stakeholder comments filed both before and after the Dec. 12 meeting, and (3) points made at the December 12th public meeting. Individuals participating in the roundtables may be posed questions on any of these issues.

Instructions and Information on the Public Roundtables

The roundtables will take place on May 21st (Flynn Auditorium, Vanderbilt University Law School, 131 21st. Ave. S. in Nashville, TN), June 25th (Wasserstein Hall, Harvard University Law School, 1585 Massachusetts Ave. in Cambridge, MA), July 29th (location in Los Angeles, CA to be announced) and July 30th (the Bancroft Hotel, 2680 Bancroft Way in Berkeley, CA).

Interested parties may request to participate in, or to observe, the roundtable discussions by submitting a request form, available at <https://www.signup4.net/public/ap.aspx?EID>

=*THEG32E&OID=130*.¹ Participation will entail responding to questions from Task Force members and engaging with other participants, whereas observation will entail listening to, but not participating in, the discussions, although there will be time for observers to comment at the end of the discussion. Parties who wish to attend roundtables in multiple locations should submit a separate request form for each location. When completing request forms, interested parties should identify the particular discussion or discussions they wish to participate in or observe. We will respond to the requests to participate or observe two weeks before the day the roundtable will be held. Please note that the Task Force may not be able to grant all requests but will seek to maximize participation to the extent possible.

Participants and observers should arrive at least one-half hour prior to the start of the roundtable and must present valid government-issued photo identification upon arrival. The Task Force will provide additional information on directions and parking in the agendas for each of the roundtables.

The roundtables will be webcast. A transcription service will also be present. The transcriptions will be made available on both the Task Force and USPTO Web sites after each roundtable.

The roundtables will be physically accessible to people with disabilities. Individuals requiring accommodation, such as sign language interpretation, real-time captioning of the webcast or other ancillary aids, should communicate their needs to Hollis Robinson, Office of Policy and International Affairs, United States Patent and Trademark Office, Madison Building, 600 Dulany Street, Alexandria, VA 22314; telephone (571) 272–9300; email hollis.robinson@uspto.gov, at least seven (7) business days prior to the roundtable.
