

more complete overview of the national program for regulating radioactive materials. This information would be used in the decision-making of the Commission. With Agreement States and as part of the NRC's cooperative post-agreement program with the States pursuant to section 274(b), information on licensing and inspection practices, and/or incidents, and other technical and statistical information are exchanged. Therefore, information requests sought may take the form of surveys, *e.g.*, telephonic and electronic surveys/polls and facsimiles.

Submit, by March 9, 2015, comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the burden estimate accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?

The public may examine and have copied for a fee publicly-available documents, including the draft supporting statement, at the NRC's Public Document Room, Room O-1F21, One White Flint North, 11555 Rockville Pike, Rockville, Maryland 20852.
