B. What is the Agency's Authority for Taking this Action?

Section 4(g)(2) of FIFRA, as amended, directs that, after submission of all data concerning a pesticide active ingredient, "the Administrator shall determine whether pesticides containing such active ingredient are eligible for reregistration," before calling in product specific data on individual end-use products and either reregistering products or taking other "appropriate regulatory action."

Section 408(q) of the Federal Food, Drug, and Cosmetic Act (FFDCA), 21 U.S.C. 346a(q), requires EPA to review tolerances and exemptions for pesticide residues in effect as of August 2, 1996, to determine whether the tolerance or exemption meets the requirements of section 408(b)(2) or (c)(2) of FFDCA. This review is to be completed by August 3, 2006.

Thiram; Amendment to Terminate Uses

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces EPA's order for the amendment to terminate uses, voluntarily requested by the registrant and accepted by the Agency, of products containing the pesticide thiram, pursuant to section 6(f)(1) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended. This cancellation order follows an April 27, 2005 **Federal Register** Notice of Receipt of Request from the thiram registrant to voluntarily amend to

terminate uses of thiram in or on apples. These are not the last thiram products registered for use in the United States. In the April 27, 2005 Notice, EPA indicated that it would issue an order implementing the amendment to terminate uses, unless the Agency received substantive comments within the 30-day comment period that would merit its further review of this request, or unless the registrant withdrew their request within this period. The Agency did not receive any comments on the Notice. Further, the registrant did not withdraw their request. Accordingly, EPA hereby issues in this notice a cancellation order granting the requested amendment to terminate uses. Any distribution, sale, or use of the thiram products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

DATES: The cancellations are effective August 31, 2005.
