If the notice of appeal, notice of cross appeal, or appeal brief identifies fewer than all of the rejected or non-rejected claims as being appealed, the issue will be addressed by the BPAI panel. The jurisdiction of the *inter partes* reexamination proceeding will be transferred to the BPAI when a docketing notice is entered after the time period for filing the last rebuttal brief (if appropriate) expires or the examiner acknowledges the receipt and entry of the last rebuttal brief. After taking jurisdiction, the BPAI will not return or remand the *inter partes* reexamination proceeding to the Patent Examining Corps for issues related to a noncompliant appeal brief.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, *e.g.* new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.
