

POSTAL SERVICE**39 CFR Part 111****Enterprise Payment System and Enterprise P.O. Boxes Online****AGENCY:** Postal Service™.**ACTION:** Interim final rule with request for comments.

SUMMARY: The Postal Service is revising *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) to provide an enhanced method for commercial customers to pay for and manage their services online using a single account.

DATES: *Effective date:* September 6, 2016.

Comment deadline: Comments must be received on or before August 26, 2016.

SUPPLEMENTARY INFORMATION: The Postal Service continues to seek opportunities to work with mailers to improve products and services. Therefore, we have established a method for commercial customers to pay for and manage their services online using a single account.

The U.S. Postal Service is upgrading its payment architecture for business customers. The new Enterprise Payment System (EPS) will replace the current product-centric payment system with a centralized account management system enabling commercial customers to pay for and manage their services online using a single account.

EPS has been designed to be part of USPS products and services offered through the existing Business Customer Gateway (BCG) portal. Commercial customers who want to use EPS will need to be a registered BCG user,

request access to EPS and open an Enterprise Payment Account (EPA) to pay for their products and services. EPA requires that the customers fund the account via Electronic Funds Transfer—either Automated Clearing House (ACH) Debit or ACH Credit.

The first feature of EPS will allow business customers to open, close, and pay for their P.O. Boxes and Caller Service numbers (including reserved numbers) online using the new Enterprise P.O. Boxes Online (EPOBOL). EPS customers are required to have an EPA to pay for EPOBOL service. Future phases of EPS will provide commercial customers functionality to pay for additional services.

A. Background

USAID published a proposed rule in the **Federal Register** at 80 FR 69930 on November 12, 2015 soliciting public comments on the inclusion of several agency-specific clauses into the Agency for International Development

Acquisition Regulation (AIDAR). The highlights of the changes are as follows:

- Sections 722.810 and 752.222–71 are added to encourage all USAID contractors performing and recruiting entirely outside the United States to develop and enforce employment nondiscrimination policies with regard to race, color, religion, sex (including pregnancy and gender identity), sexual orientation, marital status, parental status, political affiliation, national origin, disability, age, genetic information, veteran status or any other conduct that does not adversely affect the performance of the employee.

The reporting is used to require the countries to reimburse the taxes or duties imposed on U.S. foreign assistance funds and for certain reporting to Congress.

- Sections 731.205–43 and 752.231–72 are added to mitigate the risk of inappropriate spending, as mandated by Executive Order 13589 “Promoting Efficient Spending” dated November 9, 2011. Contractors are required to obtain USAID written approval prior to committing costs related to USAID-funded conferences that meet the criteria provided in section 731.205–43.

- New section 752.7036 directs contractors to register with the Implementing Partner Notices (IPN) Portal, where USAID uploads contract modifications that affect multiple awards and provides notices to contractors.

- Section 752.7037 is added to promote child safeguarding when implementing USAID programs. The clause complements the USAID Counter Trafficking in Persons (C–TIP) Code of Conduct by expanding the range of
