To participate in the program schools and libraries must confirm that they are actually receiving the services eligible for support via FCC Form 486. The purpose of FCC Form 486 is to ensure that services are actually being provided and that a billing relationship exists between the service provider and applicant. (No. of respondents: 30,000; hours per response: 1 hour; total annual burden: 30,000). FCC Form 500 is used to adjust funding commitments and/or modify the dates for receipt of services. Only some applicants will avail themselves of the Form 500. It is available for applicants who wish to keep their information current or who wish to return funds to the Universal Service Fund. Finally, applicants are also required to serve copies of their application with the SEC and affected state commissions. The applicants must notify the Commission of material change in facts within 30 days of the change in fact.
